I Wm Nelson of Charles City C. do make and publish this as my last will and testament. Having given already to my daughter Edwards her proportion of my estate, I have nothing left but to declare my sincere affection for her with my other children. I desire that the debts due to me may be applied to the payment of my debts. There is at

~~marked in the original~~ ~~least one hundred pounds due to me from the estate of the late John Nelson of York~~ - upwards of three hundred pounds from my brother Hughes estate, and nearly that sum from my brother Robert Nelson, something also probably from my brother Nathan's estate, and when the Bullrun land of my brother Thomas is sold there will be also something due to me from that estate. I have also a deed in the name of Judith Nelson executrix of Hugh Nelson, who was surviving executor of my father, in the District Court at ~~Wm~~burg for my benefit, on a bond executed to my father, and given to me in part of my legacy under his

his wife by my eldest brother. - I mention these circumstances to show that my brother Hughes estate is in no manner interested in it. - I desire that my executor may advantage for the representatives of Monsieur Thuron & Mr. Bouchon who was in Vinsburg some years ago employed me in a suit ag^t the late Carter Braxton in behalf of Thuron in the General Court and I rec^d thirty pounds of it. - I doubt whether Mr. Bouchon who now lives in Vinsburg is the person who employed me, but if he or any other person produces satisfactory proof of authority, I desire my executor to pay this debt in the first instance. - I give to my children left me by my dear Abby whatever claim I may have to any part of Col^o Byrds estate. - All my estate of every kind I give to be equally divided amongst the children of my dear Abby for the reason assigned in the first clause of my will. Each child shall have her share on marriage, or coming to the age of twenty one. - I give my executor a discretionary power to sell my Kentucky land, if she shall think it beneficial for the payment of my debts, or for the interest of my children. I do hereby appoint my dear friend Mrs Mary Byrd of Westover my executor and guardian to my children, and do revoke all wills and memorandums of that nature heretofore made. - Witness my hand and seal at Morgantown in the County of Monongalia this twenty second day of September 1801. - all in my hand writing. -

Wm Nelson 

At a Court held for Charles City County at the Courthouse the 15th day of April 1813. The aforewritten last will and testament of - William Nelson jun^r was produced in Court, and there being no witnesses to the same Hyatt Walker Hamilton Walcott and John Tyler were sworn and severally deposed, that they are well acquainted with the testators hand writing and truly believe the said will and the name thereto subscribed to be wholly written by the testators own hand, whereupon the said will is Ordered to be recorded. - Mary Byrd the executor named in said will refuses to take upon herself the burthen of the execution thereof which is Ordered to be certified. - On the motion of Benjamin Harrison and William B Page who made oath according to law, and the said Harrison with John Minge his security and the said Page with Benjamin Harrison his security entered into and acknowledged, two several bonds in the penalty of twelve thousand dollars each conditioned as the law directs, certified is granted them for obtaining letters of administration on said decedents estate with his will aforesaid - annexed in due form. -
