Daniel Eddy's Will
 In the name of God Amen I Daniel Eddy at present of the
 County of Culpeper in the state of Virginia being in perfect health
 and memory do make and ordain this my last will and
 Testament First.
 I'mprimis it is my desire that my funeral expenses (which
 must be performed without any minister or any other unnecessary
 any expence and my best debt be first paid

Item The rest and residue of my Estate I give and bequeath unto my Son Daniel Eddy Junr: (who I do adopt) and who I begot on the body of Kitty Amensitter of the City of Philadelphia and who was born on the 22nd day of September 1794 and Christianized by the Rev: Doctor Smith of the German Lutheran Church in the said City by the name of Daniel Eddy but is at present called James by his Mother and the family upon the following terms and conditions I desire my Executor hereafter named to place the whole of my Estate after paying my Debt and Funeral expenses in six percent funded stocks of the United States Bank and apply the Interest growing due thereon towards the support and education of my Son (who is hereafter to be called Daniel Eddy, until he arrives to the age of twenty one years at which period and not before I give the whole of my Estate to him his heirs and assigns forever but in case he should depart this life before he arrives to the age aforesaid I give and bequeath the same as follows one fourth part thereof to Sophia Hoffner and the other three fourths to my beloved and good friend Kitty Amensitter both of the said City the latter of whom is the Mother of my said Son Daniel Eddy Junr) to them and their and assigns forever

Whereas a part of my Estate will be in the hands of my brother George Eddy whose note I hold bearing date the 22 day of June 1797 for three thousand Dollars payable to me I therefore think proper to relate the circumstances attending our transactions and the situation and manner our affairs stand I do declare as I hope for Salvation that the said George Eddy stands justly indebted to me in the aforesaid sum as also a receipt for a receipt and promissory note of Daniel Penfield Merchant of New York dated the 17th day of June 1798 for fifteen hundred and twenty dollars in funded Debt of the United States in six percent three percent & Defused Stocks no part of the principal or Interest of which I have received and I do further declare that at the time George Eddy was a Bankrupt in the Year 1790 that I authorised him to receive my rents during the time I was absent in Virginia and afterwards and while I was in the Army without all that time making any charge

against him therefore he having agreed and apured if ever he was able to pay off all the debts of our Mothers Estate and for that purpose having during the life time of our Mother had bills of exchange put in his hands and as he kept the books of our Mother and still does I am ignorant whether he ever made any entry of them especially as he hath since pretended he did not know the house was under a mortgage although it was in her own hands and I do further declare that he the said George Eddy prevailed on me to sign two deeds for different parts of the estate left me in partnership with my sister Mary by our Mother promising on his word of Honor to make no use of them until the next day when he would pay my sister and myself five hundred pounds each as part of the consideration money and give security for the balance which according to his promise he hath not done but on the contrary directly and without my knowledge or consent procured them to be recorded without making me any other payment than his promissory note an demand not drawn in due form of which is informally I am apprehensive he will endeavour to take an advantage and which if done or even attempted will be contrary to Justice I am the more alarmed because I never could get from him my assent current although I have made repeated applications and have been as repeatedly promised it but never have received it, and I well know that by his own books which he gave me some months since a slight of that there was a balance in my favor at the time of his obtaining the deed aforesaid it therefore would be extremely hard and injurious that he should be allowed or have any set off against his notes if such a thing he shall claim

Item I do nominate and appoint my beloved and good friend Kitty Omenstetter and Sophia Haffner both before named Guardians to my said son Daniel Eddy hereby desiring my Executors to pay the profits or interest growing out of my Estate to them in trust for the use support maintenance and education of my said son Daniel Eddy

Lastly I nominate and appoint my two friends Col John Jamison and Richard W. Wigington both of the County of Culpeper in the State of Virginia Executors to this my last Will and Testament hereby revoking all other Wills by me heretofore

made and declaring this and this only to be my Last Will and Testament In Witness whereof I have hereunto set my hand and affixed my seal this ¹⁷⁹⁹ day of ¹⁷⁹⁹ 1799

signed sealed published pronounced and declare by the said Daniel Eddy to be his Last Will and Testament in presence of us who at his request and in his presence subscribed the same as witnesses
