Francis Apperson of the County of Culpeper being sick and
 persons Will weak in body, but of sound and disposing memory, do here-
 by make my last Will and testament in manner follow-
 -ing, that is to say, 1st I desire that my Executors hereafter
 named pay all my just debts among which is a Debt that
 I owe to my beloved son George for Superintending my planta-
 -tion, amounting to the Sum of fifty five pounds seven shil-
 -lings, and seven pence, and should the Crop grow up, or on
 hand with any monies that I may leave, or debts due to me
 at my decease not be sufficient for the payment of my
 Debts, then in that case, my Executors will sell as much of
 Personal Estate that can be best spared by my beloved Wife
 as will be sufficient for that purpose.

2^{dly}, I Give to my beloved Daughter Nancy Hay, her share
 of two Negro Girls named Sidney and Hannah and one
 bed and furniture, and one Cow and Calf to her and
 her heirs forever, which property my Executors are to deliver
 to her immediately after my Death, but the Negro Girl
 must be valued by respectable and disinterested men
 and charged to her as a part of her proportion of my
 Estate. The bed and Cow and Calf is not to be accounted
 for.

3^{dly}, I Give to my beloved Son George and not to be ac-
 -counted for a Good Cote folded this Spring and named
 Apollo.

4^{thly}, I Give to my beloved wife Betty the use of my Land
 and all the rest of my Estate after the payment of my debts
 and the Legacies aforesaid during her life or Widowhood
 and at her death, my will and desire is that my Executors
 sell the whole Estate both real and personal, on such credit
 as they may think most to the interest of my children and
 out of the proceeds, they first pay the following Sums
 (viz) To my beloved Son John a his share the Sum of Twenty
 Six pounds, two shillings and two pence.

To my beloved Daughter Kelly, &c. or her heirs the sum of Seventy two pounds, Sixteen Shillings and ten pence—
 To my beloved Daughter Nancy May or her heirs the balance of One hundred and twenty pounds thirteen Shillings and four pence, after deducting the value of the Negro Girl given her, To my beloved Son Reuben or his heirs the sum of One hundred and Sixteen pounds ten Shillings and Eleven pence half penny—
 To my beloved Son George or his heirs the sum of one hundred and Seventy seven pounds thirteen Shillings and four pence, To my beloved Son Washington or his heirs the sum of One hundred and twenty seven pounds nineteen Shillings and five pence,

5th It is my Will and desire and I do request that it may be done, that in the event of any of my Children now single marrying before the Death of their mother, or whether they marry or not that she give them some assistance when they appear to need it, and she can do it without materially, uncomfortable her self but such assistance must not exceed the sums directed to be paid in the preceding clause, and if it should be in property it must be valued, as the Girl given to Nancy May having given to my son Gabriel property to the amount of one hundred and twenty eight pounds, thirteen Shillings and five pence, is the reason why he is omitted in the preceding clause where my Bequests are directed to all the whole Estate after

 therein named this day met at the House of William Yancy
 one of the Executors of the Estate of Charles Yancy Decd (The
 parties interested also attended) and have proceeded to state
 and settle the within Account and find a balance appear-
 -ing due the Executor of Ninety eight pounds two Shillings
 and four pence Halfpenny -
 At the request of Thomas Yancy who is also one of the Ex-
 -ecutors we report that he Objected to the admission of an
 Account exhibited by said Tho. Yancy &c to and being
 the first Item of Charge in this Account, and The said Tho.
 also contended and requested us to report the same that
 the Crop of Wheat Sold to Richard H. Yancy and Credit-
 -ed in this Account, 3th May last was Sold two loads by
 2^d of Bushels he (Thomas) having engaged it to Mr. John
 Strode the last fall at 8^d of Bushels. -

The Admission of Account &c being Objected to, the Com-
 -missioners think it necessary that they assign their reasons
 for admitting it, which are as follows { 1st } because the
 Account is Accompanied with the usual marks of authenticity
 2nd because it is so a large Amount and of course a matter of
 of two much Interest to the Claimant, to be disposed of or
 rejected without a more thorough scrutiny of it,
 than can be had before us.

172 And Lastly because it doth appear that the only grounds
of Objection is an Item in said Account of £108 for 48
Acres of Land. - With respect to the price of the Wheat
there is no testimony before the Commissioners relative to
the contract with Mr. Stowe - Given under Our hands
this 15th of July 1806 -
