Rhyggwintow
Will
 In the name of God Amen I, Richard Rhyggwintow
 of the County of Leulpeper do make this my last Will & Testament
 as follows -

It is my Will and desire that my just Debts & funeral ex-
 penses be first paid, for accomplishing which its my express
 wish and desire that my Executors hereafter named after
 collecting whatever Sums are due me at my decease, make
 Sale of any part of my Estate real or personal or so much of either
 as they may think proper having regard to the interest of the
 whole, but as I am confident that if my Estate be kept
 together a few years the profits therefrom with good manage-
 ment will be ample fund to support itself and discharge
 my Debts, I therefore request my Executors to endeavour
 to obtain time or times of payment - if they cannot effect this
 to sell and make payment, If they should sell it might
 be upon a credit of or in which case the purchase money
 might be well secured, the mode or method of so doing is
 left to their management & left to their case -

I Give and bequeath unto Kitty Broadus so soon as she
 arrives to the age of twenty one years or marriage my Negro woman
 Esther and her two Children Howard & Sam & the future in-
 crease of the female to her two heirs & assigns but if the above
 named Kitty Broadus should depart this life before the period
 aforesaid the Slaves are to be considered as a part of my Estate
 I also Give unto the said Kitty Broadus one Mare (or a
 Horse if she chooses) Saddle and Bridle of the value of one hun-
 dred and twenty Dollars, one bed headstead Furniture &
 Sixty Dollars the said or not in any thing she chooses -

I Give and bequeath unto my beloved Wife Mary during
 her life or widow hood, all the rest and residue of my Estate
 at either of which periods it is my true Intention, that all that
 part of Estate not heretofore given away which came by
 her be allotted her by my Executors, and which is hereby given
 to

to my said wife Mary his heirs & assigns forever. I also give unto my said wife Mary all my household and kitchen furniture, to her her heirs & assigns forever. My meaning is that so long as she remains a widow, she enjoy the whole of my Estate, not before disposed of, and that she may in any event have the disposal of all that came by her and the Household kitchen furniture—

All the rest and residue of my Estate (except the buying ground as now inclosed) which is expressly reserved for that purpose) I direct to be sold as follows, my Land altogether or in Lots one third of the purchase money to be paid down, the two years credit on the balance in two annual payments which ever may be thought best, my Heirs and other Estate upon a credit of six Twelve Months—my Heirs to chuse their own Mortgages, and the whole proceeds to be equally divided amongst my Brothers & Sisters & in case any of them should be dead, the heirs of their body lawfully begotten are to receive any or such parts portion—In addition but not I have before given absolutely to my wife I give my riding Carriage Horses. I constitute and appoint my beloved wife Mary Executrix & my Father John Wigginton & my friend John Clerk Executors of this my last Will and Testament—In Testimony whereof I have set my hand and Seal this 20th day of March 1866

Ry Wigginton—(S)

Whereas my will and intention is not so expressed above as to render my meaning as clear and certain as I could wish—
I therefore declare my intention to be that my Executors sell in the first instance such part of my Lands as may be necessary for the payment of my just debts having due regard as to the part they shall sell, to the situation and interest of my

my said wife, after having disposed of such part of my personal property (my Slaves excepted) as my said wife shall not think proper to keep, which together with so much of the Debt due me as can be collected on convenient time to such my Creditors I wish to be paid appropriated to satisfy them - but if my Executors find it necessary they are to proceed without delay in the Sale of my Land as above directed. It is not my intention that my Slaves should be sold unless my Land & other resources should not be sufficient.

It is further my intention that in case the Slaves and their increase which I have bequeathed as above to Filly Broadus should not become her absolute property by her arrival age of twenty one years or Marriage in that event my meaning and desire is that the said Slaves and their increase be considered as a part of the Slaves given to my said wife - and I hereby give them to her in the same manner I have given her the other Slaves that came by her -

And it is further my Will and desire that in lieu of the Bedstead and Sixty Dollars which I have bequeathed to Filly - Broadus I give her the sum of one hundred Dollars out of which she can purchase a bedstead of such price or sort as she may think proper, & the residue of the money she can appropriate as she chooses which together with the bed & furniture I have bequeathed I give to her forever -

In Testimony whereof I have hereunto set my hand and affixed my Seal to this my Codicil this 10th day of August in the Year of our Lord 1807 -
