In Abideance to an Order of Calfeper County Court bearing date February 1805 and of a further Order of said Court of August 1805 we the subscribers have proceeded to adjust and settle the Account of the administrators of William Inskeep dec^d as above stated and find that there is a balance due from the Administrators of \$252.19. 5½ and they are of opinion that \$250. thereof after deducting such Allowance as the Court may think proper to allow the Administrators for their Trouble bear an Interest of 5 p^r cent. from the 13th day of November 1796 till paid which is allowing the Admors twelve months from the day of sale before they are charged with Interest on any part. This space of time is thought by the Commissioners sufficiently reasonable inasmuch as most of the debts accrued within that time and as it is confessed by James Inskeep Jun^r the surviving Admors that the bonds taken at the sale of the estate were to bear Interest from the date if not punctually paid and that some of the bonds were not punctually paid but as Budd Haywood the other Administrator who was most active in managing the estate is now dead the Commissioners could come at no evidence by which to ascertain the Interest upon the debts which are taken from the books of Budd Haywood and

90 were supported by Vouchers herewith returned - as to part and by oral Testimony as to the residue. The credits are also taken from said books and from the Account of sales herewith returned. By the annexed Account No 1 which was omitted by said James Inskeep Jr. it appears what part he had in the Admon, and that the balance of £34. 9. 4½ is all that remains of the estate in his hands to be accounted for -

By Account No 2 hereto Annexed which was omitted by the widow of the intestate and her present Husband there appears that there is a balance against her of £60. 0. 2 which the Commissioners think she ought to retain in part of her Dower or third part of her dec^d Husbands estate

Among other papers there is returned herewith a bond due from Samuel Meng to the estate of the dec^d for £9. 12. 5 which they have not charged in Account it appearing that it never could be collected owing to the Insolvency of said Meng - all which is respectfully submitted to the Court
