my tract of land called Rocky Spring including the hole of my purchase
from Robert Gilliam and John Sandige with part to be conveyed to Tiller
after his death. I give and devise to my son Littleberry Carrington to him
and his heirs forever the tract of land on which I now dwell including all
additions thereto by separate purchases. But to the devise to my sons Joseph

disappointed in obtaining so much land in the State of Kentucky and on
the north west side of the Ohio River valuation or reasonable credit. by
disinterested & judicious persons to be chosen mutually by the said William
and the said Joseph & Littleberry the guardian of the title acting for him
would be a minor as will be of the value of one thousand pounds worth
reference to time of my death, my sons Joseph and Littleberry shall jointly
contribute to the said William as much as will make up the value of
one thousand pounds including such contribution provided however that no
subject or mismanagement of the said Wm his heirs or assigns shall have ac-
cused such disappointment it is my will devise that all my slaves and
personal Estate except Tiller York Betty & Chloe herein before disposed of
be distributed agreeably to the act of distribution such slaves as I may
at the time of my death have given to any of my children being accounted
for in such distribution. But as it is my primary will and desire that
the most speedy provision be made for the payment and discharge of
the debts which I may owe at the time of my death and that the same
be done equitably as it may affect the real and personal property
herein devised and bequeathed I direct that the two plantations now
in my two sons Joseph & Littleberry together with all slaves (except the
four disposed of) also the stocks & utensils employed on the said plantations
at the time of my death be kept together under the direction of my Executors
untill two crops be made including that which may be growing at the time
of that event and that the proceeds of such crop be kept in the hands of
my Executors in and of the debts due to me towards discharging himself
and fully those which I may owe but in the mean time my sons Joseph
and Littleberry to be allowed out of the proceeds reasonable sums for their
support at the discretion of my Executors including the education of
Littleberry as a further and to the funds for paying my debts, I direct my Executors
to sell and convey in fee simple my lots and houses in the Town of Lexington
