

In the name of God amen. I John Sandefur being in perfect health of body and mind and having a sound memory do make and constitute this my last will and testament revoking all other wills whatsoever. That is to say in the first place I desire my Just debts may be paid out of the money arising from the sale of my black & grey wares, my little negro girl China, my two & four, which I wish may be sold by my executor, & in case the above property (mentioned) should not sell for a sufficiency to discharge all my debts I desire they may be fully discharged out of such other part of my estate as my executor may think proper. It is my desire that my executor deposit in the best publick fund fifty pounds there to run on with the interest untill an opportunity offers or as it may be applied to the use of raising a charity school in this state. Then all the rest of my estate of what kind soever I give and bequeath unto my beloved Brothers Abraham & Matthew Sandefur to be divided equally between them to remain unto them & their heirs forever. And lastly I do appoint my two brothers aforesaid Executors of this my last will & testament. In witness whereof I have hereunto set my hand & seal this 5th Day June 1792
