To amt. due the wards 31st Dec. 1832 82 34

Pursuant to an order of the Worshipful Court of Elizabeth City County bearing date the 24th day of January 1833, appointing the undersigned a Special Commissioner to examine, state and settle Gully Sneed's account of his transactions as guardian of Geo. R. Eliza (better known as Mary D. T. and John J. W. Sneed orphans of John Sneed decd. I have accordingly examined, stated and settled the same, and find the balance of eighty two dollars & thirty four cents due by the said Gully Sneed to his wards on the 31st day of Decr. 1832. In the settlement of the said account the returns for the years 1820^{'27} and '28 made by the guardian in his life time, and allowed by the Court were regarded by your commissioner as prima facie true, by which it appears that the allowance to the guardian for board &c. for the two years first mentioned exceeded the income of his wards estate by the sum of two hundred and forty eight dollars ninety three cents. For the year 1828 the Court reduced the allowance to the guardian for board &c. within the amount of his for that year, and subsequently to that time your commissioner has allowed the average amount of the income of the wards to the guardian for their board &c. he being that no greater allowance could properly be made without authority from the Court previously obtained. It appears from the accounts rendered by the said Sneed in his life time that he rendered annually the gross amounts, instead of a detailed account of the hire of the negroes, and upon comparing the accounts for the two first years a very great difference will be perceived in the amount of hire accounted for by him - all which is respectfully submitted.

In the return to Court 28th Sept. 1825. There was a balance due Bailey, Jackson, Franklin, George, Henry & Jno Elliott, of \$205.29 credited in the return to Court 22nd May 1828 with interest from 28th Sept. 1825 to 31st April 1828, of \$25.00 making \$230.29. In the last mentioned return Bailey & Jackson Elliott were left out, the latter being dead and the former of lawful age, consequently, only $\frac{1}{2}$ of that sum ought to have credited in the return, which sum including interest as above is \$235.94, which being deducted from \$230.29 leaves \$5.65 over credited, and \$20.81 which from the face of the records appears to be due the wards deducted from \$5.891 leaves \$38.10 due the guardian at the same time there is a charge in said return, "to cash paid Bailey Elliott" of \$28.06, which ought not to have been charged to said wards, that sum being deducted from \$38.10 leaves due the guardian . . . 10 04			
In the return to Court 22nd Oct. 1829, there was a balance due guardian of \$115.90, which balance was omitted to be charged in the return made 20th Jan. 1832 for the years 1829, 30 & 31, when only George, Henry & Franklin were wards, consequently $\frac{3}{4}$ of that sum must now be charged, which is \$124.48, & the sum of \$117.43, which appears to be due the wards agreeably to the last mentioned return, deducted from \$124.48 leaves due the guardian . . . 6 97

A greatly to an order of the Worshipful Court of
Elizabeth City County bearing date Decr. 27th 1832
being first sworn I have proceeded to examine, state
and settle the transactions of James Thomas decd. as
as guardian to Henry, George & Franklin Elliott,
orphans of Henry H. Elliott decd. and find a balance
due the said orphans of seven hundred & forty two dol-
lars & thirty one cents, but on examination of the re-
cords of the settlement of said Thomas as administra-
tor of said Elliott, your Commissioner ^{discovers} that the sum of
\$97.88, the amount of the Commissioners due the said
Thomas as administrator of said, was omitted to be
charged in said settlement, and not embraced in this
account, your commissioner believing that he had not
cognizance over any matter pertaining to the transac-
tions of said Thomas as administrator, but by the request
of William B. Thomas administrator of said James Thomas,
your commissioner has been to present the matter for
the consideration of the Court, all of which he respect-
