O Test

In the name of god amen. I John
Balentine of the County of Fairfax and Common Wealth of
Virginia at this time of Sound Disposing sense and memory when
considering the uncertainty of life from my present situation and
finding it necessary to guard against Accidents I do make and Declare
this my last will and Testament in manner and form following, in
the first place I desire my Executors and Executrix herein after na-
med to take immediate possession of all my Estate real and personal
as well on James river and the waters thereof as on Potomack in Vir-
ginia and also on Maryland side which said Estate I desire my Executors
up all together and be carried on for the best advantage as my Executors
and Executrix may think most proper in that behalf.

With regard to my Debts the most of them are from Judgements
and Bonds. The several Judgements hereinafter mentioned were
obtained by the absence of my attorney on accounts offered in Bar
(to wit) Robert Downman one hundred and forty one pounds
four shillings and three pence in place of about forty five
pounds see my Books justly sold by his own account him
self present only complaining of not having credit for an
old horse that Joel White knows was not worth a Shilling Leon and
Balduis Sixty nine pounds twelve shillings and three pence
in place of about sixteen pounds see my account and papers
given to Elzey. Foushee Tabbs Twenty two pound two shillings
no credit for a large Quantity of plank as per my Book kept

By George Rose and his Charge against me is wrong that ^{on} a just
Settlement he will have nothing due Bayles: & Executors one hundred
and forty pounds and two pence though upon a fair State of our
Accounts there is a Balance in my favour his having omitted a large
Balance due me in the Legacy from Blackbarns Estate. Elzey has
the account and Receipt besides there is a very large open account
against William and John Bayles Deceased that they have
given no Credit for in their Account though a just Charge as
per my books and Accounts which I refer. I request likewise that
Edward Suickers may be called to a fair Settlement he Delivers
in his Account full of erroneous Charges and no Credit for a
more Twenty two pound ten Shillings value in pledge to the Sheriff
of Tudrick as my Bail in the suit of Robert. Rutherford which
they Detained and not withstanding the Survey made by
M^r Craven Peyton of the Overplus Land sold he takes
no notice upon a just State he will fall in my Debt at least
five hundred and fifty pounds.

Item it is my will and desire that no open Accounts may
be admitted against me of long standing unless they appear plain and
supported by good Evidence as I have ever been ready to give my Bond
when any Just amount was settled.

With regard to the arbitration with John Semple as far as relates
to Kings Land as per the Written Agreement and likewise the five

Thousand acres on the Maryland side I do in the most solemn
manner Declain my Disatisfaction and sincerely intreat to have
those two points in Dispute fairly settled by good Judges and
proper men Appointed to Examine and view the refused Land
not for boaling, and in other matters and things theuto belonging per allow in
Agreements concerning those two Disputes the Balance in my favour
settled by Mr. Alexander Henderson and Mr. Hector Loff with the In-
terest five or six years is sufficient to pay off the mortgage to Tayloc
and Thornton Esquires and also the other to Baylis and after these
Just mortgages are paid and satisfied by H. Temple he must
be then considerably in my Debt if I have Justice done in the
said Land and the Interest of those settled Balances
It is my Desire that the Lands at the Seneca falls where I made
Improvements for works &c with half the Island in the Bar-
gain reserved from Captaine McCarty in giving up the
other part of the Estate as by Survey made by said
McCarty which said Reservation altogether I desire
may be made by Sale for the life of my Son Thomas
William Walen direct to the
The Lands on James River called Quich Banks purchased of
Patrick Boutts Esq. with the Improvements of the Canal
Mills, fisheries &c. Including Saunders Island are for this
Year till Christmas letted out to Henry Tigby as by

Agreement lodged in Thomas Booths hands, and the Bu-
ingham furnace with three Thousand acres of Land a
Large stock of coal and oar and six Valuable Slaves, to-
gether with other necessary stock and furniture as to be
considered as clear from any incumbrance whatsoever.

Though the State of Virginia has a mortgage for mon-
ey furnished yet as they are owing me considerable
more for a moiety of their expences on the canal and dam-
at ^{Banks} Eluck which they the assembly resolved should
be Discounted out of the money advanced for Erecting the
said furnace by a fair and just settlement though never
yet accomplished. Mr. William Hansford has the manage-
ment at present and if he behaves well and worthy of
the good opinion I have always entertained of him it is my
advice he ought to be continued and supported on the
same terms. Mr. Hunter gives Mr. Vernon the three acres of
Land allotted for the Brewery Company ^{and} which their
Brewery stands was thought reasonable at one Hundred
and fifty pounds money at that time nearly equal to
Spence, being the sum each partner agreed to put in Stock,
but as I did not continue a partner I always expected that
sum at least for the three acres of Land and had the com-
pany complied with their promise to value the Land
by the same Jury sworn to value six acres sold to the
