In the Name of God Amen. I John Atton in the County of Fairfax being of perfect mind and memory do make my last Will and Testament in manner following, first, my will and intention is, that all my just Debts (if any there be) shall be paid, secondly, my will and desire is, that there shall be an equal division made of all my property between my wife and two Children but that my female slave Sinah which shall be valued at seventy pound, shall be in that division which falls to my Daughter Ann, and further my desire is

That my best bed and furniture shall also be in her division, my wish and desire is that my Grey Mare shall be in that part of the division of my Estate that shall fall to my Wife. It is my intention that my son John shall not have his part of my Estate before he comes to the Age of twenty one years, but that it shall remain in the care of his Mother, as the most he will have will be money, my desire is that it shall be put to Interest, or a Slave shall be purchased with it, as his Mother & himself shall chuse. Should my Wife marry again my son is at liberty to take from her all his part of my Estate and put it to what use he pleases, as I do not chuse that his Estate should be in her care when she has a second husband to govern her. It is my desire that my Estate shall not be valued or appraised but that a division shall be made by my Wife and Children, and if they disagree and cannot settle & divide my property amicably, then my desire is that all such disputes shall be settled by Mr. Lund Washington whose division shall be final.
