In the name of God AMEN. I Lewis Elzey, of the County of Fairfax in the Commonwealth of Virginia Gentleman being of a sound mind and memory, do make this my last will & Testament in manner and form following. —
 Imprimis. I give and devise to my son William Elzey and his Heirs for ever all that tract or parcel of land whereon he now lives, situate in the County of Loudoun & containing Six & hundred and Eighty six acres also one other Tract or parcel of Land formerly conveyed to me by the Reverend Charles Green situate in the said County of Loudoun adjoining the first mentioned Tract, also one other Tract or parcel of Land for which I heretofore obtained a Decree in Chancery in Fairfax Court against the Heir of Thomas Pearson and since that have procured a Deed, and containing One Thousand & Eighteen acres. which said three Tracts of Land I do give to my said son William Elzey and his Heirs upon these express conditions following to wit: First, that so soon after my decease as the same can reasonably be done, he or his Heirs convey unto my son Thomas Elzey and his Heirs for ever, by good & legal Deeds, all the right, title, claim & demand which my said son William or any other

Person or persons claiming under him has or may have at the time of my death of, in, or to the lands whereon I now live or of in or to any part thereof, that my son Thomas in to whom the same are herein after devised may enjoy the same according to this my Will, and Secondly, that my said son William and his Heirs congregate, save harmless and for ever indemnify my Estate and those to whom it is devised from a Mortgage long since entered into by me to William Cave & Joseph Waight late of Stafford County deceased. And it is my Will and desire that if my said son William or his Heirs shall refuse or fail to comply with the above conditions, that then the above three Tracts of Land shall be sold by my Executors hereinafter named, or the survivor of them, at public Vendue, and the money arising therefrom shall be divided, and disposed of as in this my Will is hereafter expressed and directed.

Item. I give to my son William Ellzey upon the very same conditions my Negro man named George, and after the death of my Wife my Negro man called old Will.

Item. Whereas I have already given by Deed unto William Hancock and my daughter Elizabeth his Wife, and to the Heirs of the body of the said Elizabeth a moiety of a Tract of Land situate on Broad-run in the County of Loudoun, together with four Slaves: if therefore it should happen that the said Deed should by any accident, or by a change in the laws prove defective, so that it cannot operate for the purposes it was intended: I do hereby give and devise unto the said Elizabeth Hancock the said Land and Slaves, with their present and future increase, for and during the Term of her natural life, without impeachment of waste, and after her decease, I give the same to my son William Ellzey & his Heirs for ever.

Item. I give to my daughter Mary West, widow of William West deceased the other moiety of the said Tract of Land on Broad-run in the County of Loudoun together with the following Slaves, to wit, Peg, otherwise called Sue and her children, namely, Hannah, Tom, Nan, Nace, Jem, Charles, and all her other children & grand children whose names I do not at present particularly remember, to hold

the

The said Land and Slaves with their future increase to my said daughter Mary for and during the term of her natural life without impeachment of waste, and after her decease, I give the same to my son William Ellzey and his Heirs for ever, upon this express condition that he or they, release, all debts, claims and demands which he may have against my Estate for any dealings or transactions had between him & me during my lifetime.

Item. I give and devise to my son Thomasin Ellzey a Tract of Land situate on the branches of difficult run in the County of Loudoun granted to me by the proprietor of the Northern Neck, &c. containing Three hundred and seventy three acres, also Two hundred acres of Land. Part of the Tract of One Thousand and Seventy acres whereon William Turner & Sarah his wife now live to be laid off, adjoining the first mentioned Tract in such manner as to make it convenient to the same, and not greatly to injure the larger Tract in the possession of said Turner & wife; to have and to hold the said two Tracts of Land containing Five & hundred & Seventy three acres, to the said Thomasin Ellzey & his Heirs for ever, to the uses, intents and purposes following, that is to say to the use of my daughter Stacy Grayson during the term of her natural life, and after her death to the use and behoof of her four youngest children, namely, Benjamin Grayson, Susanna Grayson, Sarah Grayson, & Anne Grayson, and their Heirs for ever to be equally divided amongst them, and in case they or any of them shall die leaving issue in the lifetime of their mother, it is my will that such issue shall enjoy the part or portion hereby intended for his, her or their parent or parents respectively, and hold the same in fee simple. My reason for devising this Land in trust is to prevent Benjamin Grayson the Elder, husband of the said Stacy from committing waste thereon, or receiving & embezzling the profits thereof in case he should ever return to his wife & Family.

Item. I give and devise to my daughter Sarah Turner wife of William Turner the Tract of Land whereon they now live, excepting the two hundred acres, part thereof already devised,

To Stacy Grayson to hold the remaining Eight hundred and seventy acres thereof to them the said William Turner & Sarah his wife for and during the term of their natural lives, and after their decease I give the same to three of their sons, to wit. Thomas Turner, Vincent Turner, and Thomasin Ellzey Turner, and their Heirs forever, to be equally divided amongst them; and in case any of them should die leaving issue, in the lifetime of their Father & Mother, it is my will that such issue shall enjoy in Fee Simple the part or portion hereby intended for his or their parent or parents respectively.

Item. I give and bequeath to my daughter Patience the wife of Thomas Byrd, the use of the Slaves lately in her possession, to wit. Hanny, Moll, Ben, Sam, & Fanny, and all Fanny's present and future increase, during the natural life of my said daughter Patience, and after her death to her issue then living; but if she have no issue living at the time of her death, then the said Slaves shall be equally divided amongst all my other children by my second wife.

Item. I give and devise to my son Thomasin Ellzey the Lands & Plantation whereon I now live, consisting of Four Tracts or parcels of Land, and containing about One Thousand & Sixty acres, also one other tract of Land situate on Toluick, in the County of Fairfax, containing One hundred and Seventy one acres, also one other Tract of Land adjoining the last mentioned Tract, granted to me by the Proprietor of the Northern Neck; which said Several Tracts of Land abovementioned I do give to my son Thomasin Ellzey and his Heirs forever: But it is my Will and desire that my said Son Thomasin disturb not his mother in the peaceable enjoyment of the Lands & Plantation whereon I now live but that she hold the same during her life.

Item. I give to my said Son Thomasin Ellzey my Negro boy named Nelson

Item. I give to my wife during her natural life thirteen Slaves, to wit. old will & Jemmy, Hannah and Cumberland and three of Rose's children, called Nan, Nell, and Will, and two of Nan's children, called Rose & Million, and four of Jemmy's children, called Jemmy, Bob, Lydia, & Grace, with the future increase of the said female Slaves; and after the death of my wife, I give the said thirteen Slaves and their increase excepting young Will, to my son & Thomasin Ellzey, and my daughters Stacy Grayson, Sarah Turner, and Sibyl Beech with to be equally divided amongst them; and

I hereby make and appoint the said Thomasin Ellzey the Trustee of the said Stacy Grayson's share of this Legacy, as in the former instance, and for the reason there alledged.

Item. I give young Will above excepted, after my wife's decease to my Grandson Lewis Ellzey, son of William Ellzey.

Item. It is my Will and desire, and I do hereby Order & direct, that my two following tracts of land to wit, the one bought of the Nolands situate on Elk lick run in Loudoun County containing Three hundred and fifty acres, and the other situate on both sides of Goose creek in the said County of Loudoun taken up by William Mathews and containing One hundred and Fifty acres; and also, all the residue and Remainder of my Estate both real and personal not herein already given and devised be sold by my Executors, or the survivor of them, as soon as it can conveniently be done; and the money arising by such sales after defraying my funeral expences, and paying my Just debts, I give to my wife during her natural life, and after her death I give the said purchase-money to my Son Thomasin Ellzey, and my daughters Stacy Grayson, Sarah Turner, and Sibyl Beckwith, to be equally divided amongst them. And if my said Son William Ellzey or his Heirs shall refuse or fail to comply with and perform the terms and conditions upon which the lands & Slaves hereinbefore devised to him are limitted according to the true intent & meaning of the said Devises, then and in that case, it is my will & desire, that the lands & Slaves so devised to my said Son William shall in like manner be sold by my Executors or the survivor of them and the money arising by the Sales thereof be given to and divided amongst the same persons, and in the same manner as is above directed in respect to the said Two Tracts of land last mentioned, and residue of my Estate ordered to be sold: and I hereby make and appoint my Son Thomasin Ellzey the Trustee of these legacies to Stacy Grayson as in the former instances.

Item. It is my will and intention that the legacies above bequeathed to my wife be charged with an Annuity of Forty Pounds per Annum to my daughter Stacy Grayson, for
and

and towards her support and maintenance during my wife's life; and I accordingly hereby direct and Order, that my wife pay unto the said Stacy Grayson the said Sum of Forty Pounds current money in Specie at the end of Twelve Calender Months counting from the day of my decease, and the same sum in Specie on the same day yearly and every year during my said wife's life.

Item. It is my will and intention that the purchase money of the Lands and Slaves herein before devised to my son William Ellzey, in case he or his Heirs for non-compliance with the terms upon which they are devised, should suffer them to be sold by my Executors or the survivor of them as above directed; and also, the purchase money of the two Tracts of Land situate on Elk lick run & Goose Creek above directed to be sold be charged and subjected, in the hands of the several Legatees to whom it is hereinbefore given, with the generating, saving harmless, and forever indemnifying the rest of my Estate and those to whom it is given and devised, from the said Mortgage entered into by me to William Cave and Joseph Waugh as aforesaid.

Item. It is my will and desire that the amount of a Judgment lately recovered against John Turner, in Fairfax Court, be deducted from his mother Sarah Turners share of the residue of my Estate when a division thereof is made, and be added to the shares of & divided amongst the other Legatees there mentioned.

Item. Whereas my daughter Stacy received from me upon her intermarriage with Burges Berkeley her first husband, as much as I at that time intended for her, and after his death took Administration of his Estate, and procured William Payne Junior & Henry Ginnell to be securities for her Administration, and having afterwards intermarried with Benjamin Grayson the said securities conceiving themselves in danger applied to the County Court for Counter-security, which security Benjamin Grayson Gentleman & Charles Tyler agreed to be and the same was entered on the minute book of the Clerk, but no Bond (as it is said) was given, so that it seems a doubt whether the said Benjamin Grayson will ever be able to make good the Estate of the said

Burges.

Burgeſs Berkley deceased, or whether the representatives of the said Benjamin Grayson Gentleman and Charles Tyler (now both deceased) can by law be compelled: And as I am very unwilling that the Representatives of William Payne now deceased and Henry Gunnell should in such case suffer, it is my will & desire, and I do hereby accordingly direct and Order, that if the Representatives of the said William Payne deceased & Henry Gunnell their Heirs &c shall hereafter become liable to my said daughter Stacy's children by Burgeſs Berkley, and be compelled to pay and make good their Estate or any part of it, and if they the Representatives of the said William Payne deceased and Henry Gunnell their Heirs &c (after having used their best endeavours, and taken every legal step for that purpose) shall fail to recover & procure a full satisfaction & indemnification against the Representatives of the said Benjamin Grayson Gentleman and Charles Tyler deceased: then and in that case all and singular the Lands, Slaves and money herein before devised & given to my daughter Stacy Grayson and her children shall be charged subjected and applied to reimburse & indemnify the Representatives of the said William Payne deceased and Henry Gunnell their Heirs, and in case the same shall not be enough to indemnify them, then it is my Will that my whole Estate, first the personal & then the real, or so much thereof as shall be sufficient to make good the deficiency shall be subject & liable to complete their indemnity, and save them & entirely harmless from the suretieship aforesaid.

And lastly I appoint my Son Thomas Ellzey and my son in law Marmaduke Beckwith Executors of this my last Will and Testament and in Testimony that this is my only true last Will and Testament I have hereunto set my hand & Seal the first day of October in the Year of our Lord One Thousand Seven hundred & Eighty five.
