Task.

In the name of God amen. I Hugh West of the County of Fairfax, in the Colony & Dominion of Virginia, Morney at Law, being desirous to settle, as far as lyeth in my Power, my Worldly Affairs, & calling to mind the many benefits received from Almighty God, to whom be honor & glory for ever & ever; do on this thirtieth day of March in the year of my blessed Redeemer Christ, one thousand seven hundred & sixty seven, make & declare this my last Will & Testament, hereby revoking all former Wills & Testaments by me made.

Imprimis, I desire that my body be decently interred, at the discretion of my beloved wife Elizabeth West, & my Brothers, John West, George West & William West; whom I now appoint Executors of this my last Will & Testament.

Item. I desire that all my just debts be paid: And, in order to enable my said Executors to do so, I hereby order that they my said Executors, or the survivors or Survivor of them or a Majority of them then living (if they shall think fit) do sell & dispose of my whole Estate real & personal (my dwelling Plantation & adjacent lands excepted) to any person or Persons they think proper: & that pass any Deeds or Writings to convey the absolute Property to the Purchaser.

Item. And whereas I have agreed with Mr. Bryan Fairfax for certain lands adjoining my dwelling Plantation, & have already paid him in part, the sum of ninety eight pounds current money. It is my desire & Will, that my Executors do, after discharging my debts, pay the said Mr. Fairfax the money that shall remain in their hands, & take his Deed, in the name of my Children, for the lands already paid for by me, & so be paid for hereafter by my said Executors. But if my said Executors shall think it more to the advantage of my Children, to have no more land from Mr. Fairfax, than I have already paid for. My desire is, that then they apply the Overplus as they (my Executors) shall think proper.

Item. As to my land whereon I live, & which is before excepted from the sale of my other lands I desire it may be equally divided in Quantity & Quality, if my Wife should now be with Child & have a Son, then & that Case I desire that my son have his choice of one moiety & hold it to him & his Heirs forever: the other moiety to be equally divided among my three Daughters Sybil, Jemima & Sarah. But if my wife should bear a Girl, then my desire is that the whole tract of the said land be equally divided among my four Daughters as before & that they hold it to them & their Heirs forever.

Item. My Will is that if my Executors shall not find it necessary to sell & dispose of my
