Glaspock
will In the name of God, Amen. I John Glaspock of this county of Fauquier & Parish of St. Andrews, being thro' the abundant mercy & goodness of God, tho' weak in body, yet of a sound & perfect understanding & memory, do constitute this my last will & testament, & desire it to be received by all as such. Imprimis I most humbly beseech my soul to God, my maker, beseeching his most gracious acceptance of it, thro' the all-sufficient merits & mediation of my most compassionate Redeemer Jesus Christ, who gave himself to be an atonement for my sins, & is able to save, to the uttermost, all that come unto God by him, seeing he ever liveth to make intercession for them, and who, I trust, will not reject me a returning penitent sinner, when I come to him for mercy; in this hope & confidence I render up my soul with comfort, humbly beseeching the most blessed & glorious Trinity, one God most holy, most merciful & gracious, to prepare me for the time of my dissolution, & then to take me to himself into that peaceful & inexpressible felicity, which he has prepared for those that love him Amen. Blessed be God— Imprimis I give my body to the Earth from whence it was taken, in full assurance of its resurrection from thence at the last Day: & as for my burial I desire it may be decent, at the discretion of my dear wife & son John whom I leave executors of this my last will & testament.

It is my will & desire that the legacies shall be in my dear Wife's possession during her natural life, or that she shall have a sufficient maintenance. I give my son Thomas one thousand pounds of crop Tobacco, also what land & other effects I gave him before. To my son Abijah I give Negro Harry & my black horse of that name, also my best Feather bed & furniture & a ten gallon Pot, pottrucks & pot hooks. To my Son George I give my horse Prince. To my Daughter Mary Rector I give a pewter Dish & whatever else she has had. To my Daughter Margaret Turly I give my next bed & furniture with what she has already had. To my Son-in-law Francis Jackson I desire he shall receive what Mr. William Brent owes me. To my Son John I give the Land whereon I live, containing one hundred & eighty eight acres, more or less, being bounded by the Church-road of Siga, also all my personal estate whatsoever that I shall be possessed with when it is the Will of God almighty to call me out of this world, to my son John, whom together with my dear Wife I leave Executors of this my Last Will & Testament. In witness whereof I have hereunto set my hand & seal, the 9th Day of December in the Year of our Lord 1780.
