In Chancery

Agreeable to a Decretal order of the Worshippful Court of Fauquier to us directed appointing us Commissioners to allot and lay off to James Roblin and Elizabeth his wife late Elizabeth Neugent the widow and relict of Edward Neugent Deceased her dower in the lands lying on Great Run in Fauquier County whereof the said Edward Neugent did suez, and also to divide the said Tract of land among the representatives of the said Edward Neugent after laying off the Dower we proceeded with the surveyor of the said County to set apart the Dower and upon Mature deliberation and serious Consideration with respect to the comparative value of the different parts of the said tract as well with respect to the widows of the said Edward as the distributees we allotted sixty one and three quarter Acres described in the annexed plat by the number two as the Dower Lands. We next proceed to lay off and set apart that part of the said tract of land to which Thomas Williams in right of his wife Francis, Thomas Neugent and Edward Neugent was intitled as the distributees of the real Estate of the said Edward Neugent Deceased and it having appeared to us as well from our own knowledge as the afore said Decretal order that the Complainant John Bronaugh had purchased the several proportions of the said land to which they were legally intitled, we did in like manner upon due consideration allot the same containing seventy Acres as is described in the annexed plat by number one and the balance of the said land described in the aforesaid plat by number three and containing fifty Acres we reserved for Charles Neugent, Polly Neugent and Iale Neugent without making any dividing line between them considering it most proper for them to agree among themselves in what manner it could be most conveniently laid off all which proceedings we humbly report to the worshippful Court of Fauquier in order for a final Decree
