Lewis
Will

In the name of God Amen, I James Lewis of the County of Fauquier being at this time much indisposed from sickness but of sound and disposing mind and memory do make and ordain this my last will and testament hereby revoking and annulling void all former or other wills heretofore made, In Premis. I charge the estate lately devised to me by James Lewis of Spotsylvania lately deceased with the payment of the following debts to wit one due to Charles Marshall by note, the debt due to Doctor Horner whatever it may and it is my request that his account, as presented shall be paid without putting him to any proof, a debt of about twenty pounds to Pickens Blackwell which I likewise request may not be disputed, a debt due to Mr. William Horner of about ten pounds by open account, which I likewise desire may not be disputed and a debt due to Laurence Ashton of about five pounds which I likewise request may not be disputed, to be raised out of the said Estate, devised to me by my uncle James Lewis late of Spotsylvania under the conditions upon which the aforesaid devise was made, Item all the rest and residue of the estate devised me by my said uncle James Lewis, I give and bequeath, to my well beloved wife, Jane Lewis during her life, but if she should prove envious with child my will and desire is that half the Profits of the said Estate should be applied to the support and education of such child if it should be a son one moiety of the said Estate I desire may be conveyed to him upon his arrival at the age of twenty one years or marriage. If a daughter

It is my desire that one moiety in like manner be conveyed at her arrival at the age of twenty one or marriage to him or her and their heirs forever. And in case my beloved wife Jane should prove void it is my will and desire that after her death, the moiety of the estate devised me by uncle James Lewis shall be conveyed to such child or children as may be born of the marriage after my death. Item it is my request to executors of my said Uncle James Lewis that immediately or within a convenient time after the death of my much respected Aunt, the widow and Relict of my said Uncle James Lewis may place my beloved wife in the quiet possession and enjoyment of the whole of the aforesaid estate, so devised to me. Item it is my will and desire that if my beloved wife should not have Issue by her present marriage that the whole of the estate which descended to me from my father shall pass to my brother William Lewis and his heirs forever but in the event of their being Issue it is my will and desire that the Profits be applied to the support and maintenance of such child or children until the age of twenty one or marriage at which time the same is to be delivered up in like manner with the estate devised me by aforesaid uncle James Lewis. Item it is my will and desire that if there should be no Issue of my present marriage, the whole of my estate of every kind after the death of my beloved wife, shall descend to my Brother William and if there should be issue of the marriage and such child or children should die without issue it is then my will and desire that the whole of my estate shall in like manner pass to my brother William to him and his heirs forever. Item it is my will and desire that if there should be no Issue of my present marriage if such issue should die without Issue and my brother William also die without Issue that then the whole of my said Estate of every kind shall pass and descend to my well beloved wife and her heirs forever. And lastly I appoint my brother William Lewis Executor to this my last will and testament. In testimony whereof I hereunto set my hand and Seal the 21st day of January 1802
