Mr. Craig died on the 29th April 1801. It was not until the 11 May that the will could be found and some time after that the Inventory was taken a crop wheat was on the ground and corn planted. Three of the negro fellows were hired whose time did not expire till January 1802 and it was too late in the season for those on the Glete to be provided with settlements, under these circumstances the Executor thought it would be most advantageous for the Estate and beneficial to the negroes to remain on the Glete to take care of the crop (and finish it and also of the stocks house with its contents &c. accordingly an engagement was entered into for their doing so and the Executor agreed to allow them a reasonable proportion of the crop for their support the ensuing year and also some of mangers &c. There was 110 barrels of corn made 40 of which was given to the people & 70 sold for 63. " " 105 bushels wheat made (and carried to Falmouth sold for 50. " " 8 Fodder sold for - - - - - 10. 0. 3

In the name of god amen I William Withers of the County of Fauquier being sick and weak of body but of sound and perfect memory thanks be to god for the same do make and ordain this my last will and testament in manner and form following Viz. In the first place I desire all my just debts to be paid and whatever property it hath pleased god to bless me with I desire may be disposed of in manner and form herein after mentioned. Item I give and confirm unto my son James Withers a dividend or part of the tract of land in Culpeper County whereon he now lives as by a deed made him for the same and bounded as is herein mentioned together with one half of an adjoining tract of One hundred and nine Acres to be divided by a straight line beginning at a mulberry corner in the aforesaid deed made him and running so a crop the said tract of One hundred and nine Acres as to include this one half thereof adjoining to him the said James Withers, and also the several negroes horses, Cattle &c and whatever else he has of mine in his possession with their increase to him and his heirs forever. It is my will and desire that the remaining parts of both the aforesaid tracts of land of mine in Culpeper as well the tract first mentioned as that of the one hundred and nine Acres together with the several negroes horses Cattle, hogs &c of mine remain therein and continue there for the benefit of my son Spencer Withers and his wife during the term of their natural lives only and after their decease to be equally divided among such of their Children as may then be living. Item it is my will and desire that the several negroes horses Cattle and whatever else of mine now in the possession of Vincent Garner remain therein for the benefit of my daughter Susanna during her natural life only afterwards to be equally divided among such of her children as may then be living. Item I give and confirm unto my daughter Elizabeth the wife of John Withers the several negroes horses cattle and whatever else they have of mine in their possession with the increase to her and her heirs forever. Item I give and confirm to my daughter Molly the wife of William Withers the several negroes horses Cattle, and whatever else they have of mine in their possession with their increase to her and her heirs forever. Item I give and confirm to my daughter Alice the wife of John Ball of the several negroes horses Cattle and whatever else they have of mine in their possession with their increase to her and her heirs forever. Item I give and confirm to my daughter Agatha the wife of Martin Porter the several negroes horses Cattle and whatever else they have of mine in their possession with their increase to her and her heirs forever. Item I give and confirm to my son Jesse Withers all that tract of land whereon he now lives which was willed to me by my father together with the adjoining tract of land which I purchased of Thomas Acres on conditions of his paying to my son Elijah Withers one hundred pounds good and lawfull money of Virginia at or within nine months after my decease together with the several negroes negroes horses Cattle and whatever else he has of mine he has in his possession with their increase to him and his heirs forever. Item I give and confirm unto my son Lewis Withers the tract of land whereon I now live which was willed to me by my father together with the several negroes horses Cattle and whatever else he may have of mine in his possession with their increase to him and his heirs forever.

I then Give and confirm to my son Elijah Withers the tract of land which I purchased of Fishers heirs as by their deed made to me as also the one hundred pounds mentioned in the bequeath to my son Jesse together with the several negroes, horns, cattle and whatever else he may have of mine in his possession with their increase to him and his heirs forever. I then Give and bequeath to my grand daughter Betty Withers the daughter of William Withers my negroe girl Amy to her and her heirs forever. But nevertheless it is my will and desire that my said son Spencer and daughter Susanna enjoy the full profits thereof during the term of their natural lives only and afterward to be equally divided among their several Children which may then be living. It is also my desire in case any controversy should arise respecting the true construction or meaning of this or any part or words of this my last will and testament that in such cases the parties so contending shall choose three or more discreet persons who after examining their several claims may give their opinion thereon the majority of which shall be a final determination thereof.
