Will

In the name of god amen I Martin Pickell of the County of Fauquier and State
of Virginia do make ordain and constitute this my last will and testament
that is to say first I leave and bequeath to my daughter Lucy Marshall
and her husband Charles Marshall all the money I paid for William Jennings

also the money the said Charles Marshall received from my brother George
Pickett also negroes Molly and her Increase and James and Lawry also
the land inclosed by him called the meadow lot except what was sold
out of it and the piece once occupied by George Robinson and now given
to Joseph Blackwell my partner in the store concerns. I mean that the
small part which I now hold including the Courthouse spring is to be
included in the said meadow lots to them and their heirs forever

Secondly I leave and bequeath to my daughter Nancy Brooke that tract of land more or less on this side of the main Road leading from Captain Rosier's mill to Griffin Thornton which said land is now occupied by my said daughter Nancy and her husband Francis Brooke also I leave to the said Francis Brooke a lott of land whereon his house stands which lott he has a deed for. also I leave to my said daughter Nancy another lott of land adjoining to the above said lott as it was laid off by Charles Marshall, also negroes Fanny and Helon to my said daughter Nancy Brooke and her children to be equally divided between them after her death. Nevertheless that the said Francis Brooke to have the use of the land and negroes in common with his family so long as he may live but by no means to the might to sell or dispose of any part thereof except it be with the consent of my said daughter Nancy together with the consent of the Court of Fauquier and then the money arising from such sale to be placed in lieu thereof in the hands of trustees for the use and purpose aforesaid to the said Nancy Brooke and her children as aforesaid and their heirs forever. Fourthly I leave and bequeath to my daughter Milly Clarkson all that tract of land containing two hundred Acres more or less which I purchased of Richard Grahams and also two parts out of three of the two lotts of land purchased in Culpepper County the one occupied by Jordan & containing two hundred more or less and the other occupied by Francis Little and William Grimley all which was purchased of Mrs. Cook William Fitzhugh Elias Edmondes H^c and their wives also the negroes Lanny and her Increase and Sukey to her and her children and their heirs forever. but in case it may be found advantageous to dispose of said property with the consent of my said daughter Milly together with the consent of the Court of Fauquier the same may be sold and placed in the hands of trustees appointed by the said Court and the money arising from such sale to be vested in other then property for the use of my said daughter Milly and after her death to be equally divided amongst her children nevertheless it is my will that the said William Clarkson live in common with them on the profits of the same during his life but to have no might or power to make sale or dispose of any part unless in manner aforesaid

In primis It is my will and desire that as soon as may be convenient after my death all my Just debts should be paid by my Executors Item I give to my beloved wife during her natural life all the lands which I now possess or am entitled to where the same may be the whole and entire profits and advantages arising from which it is my intention my said wife shall enjoy during her natural life, It is also my will that if I should die before I obtain a title to a tract of land lately purchased from the Estate of General George Washington that a conveyance for the same shall be made to my beloved wife during her natural life all the profits and emoluments of which I give and bequeath to her for and during her natural life for her exclusive use and benefit upon her paying the balance of the purchase money which may remain due after making payment of so much money as is now in the house or may be at the time of my death which will leave but a small balance Item after the death of my beloved wife I give and bequeath the land on which I now live containing five hundred Acres which was conveyed to me by John Selden to my nephew Andrew Lhunn to him and his heirs forever, Item it is my will and desire that after the decease of my beloved wife that all the remainder of my land not before devised shall be sold by my Executors hereafter named. upon such conditions as they may think most advantageous to my Estate and the money arising from the sale to be divided into twenty nine Equal parts which I do dispose of as follow Viz Eight parts I give and bequeath to the Children of my Sister Henrietta Furness and their heirs forever and any of them should die in the life of my beloved wife without issue then living the proportions of such Child or Children I give and devise to the surviving Children of my said Sister Henrietta and their heirs forever to be equally divided, Seven parts I give and bequeath to the Children of my Sister Charity Edwards and their heirs forever and if any of the Children of my said Sister Charity should die in the lifetime of my beloved wife without issue it is my will and desire that the proportions of such Child or Children should be equally divided among their surviving brothers and sisters and their heirs forever, One part I give and bequeath to Zachariah Nowles and his heirs forever and if he should die without issue in the lifetime of my beloved wife. Two parts I give and bequeath to my nephew John Thomas Chunn son of my brother Zachariah Chunn deceased to him and his heirs forever my reason for giving a double proportion to my said nephew John Thomas Chunn proceeds from his being unfortunate in losing the greater part of his property which came by his father five parts I give and bequeath to be equally divided between the following children of my deceased brother Zachariah Chunn viz Minfred Woods, Ann Adams, Mary Anderson Martha Chunn, and Zachariah Chunn and their heirs forever and one part I give and bequeath to my Executor to be held in trust for the benefit of the wife and children of my nephew Charles C Chunn, to be disposed of by my Executor in any manner they may think most conducive to the Interest and welfare of the children of my said nephew.
