Tauquien County to wit

We the subscribers having been appointed by the worshipfull Court of
 Tauquien to settle the Guardianship account of the orphans of William Chilton
 deceased with Charles Chilton deceased their Guardian have proceeded to

examine accurately the account left by the said Charles Chilton deceased commencing in the year 1782 at which time it appeared to us he took upon himself the Guardianship of the said Estate, and we find a balance due to the said Charles Chiltons Estate amounting to one hundred and fifty five pounds fifteen shillings and ten pence farthing including the Commission for his services; We further report that in settling the said account we admitted as a charge against the estate of the said Charles Chilton deceased 3200 pounds of Tobacco for the hire of three Negroes to William Douglass in the year 1782, for which no bonds were taken, the said William Douglass having intermarried with the widow of the said William Chilton deceased and from what has appeared to us was at that time considered as fully able to pay the said hire, but who died about the time it became due, and insolvent and the said Charles Chilton in his life time, and his Executors since his death have not received any part of the said hire. It further appears to us upon examining the papers left by the said Charles Chilton deceased that about the time the said William Douglass death a demand was made by the said Charles Chilton for the said quantity of 3200^{lb} of tobacco for the hire of the said Negroes, and if it shall be the opinion of the Court that the Estate of the said Charles Chilton is not liable to account with the orphans of the said William Chilton deceased for the said quantity of 3200^{lb} of Tobacco for the hire of the Negroes to the said William Douglass, then we report that the estate of the said William Chilton shall pay the estate of the said Charles Chilton the further sum of £19. 4. 0 which sum we value the said Tobacco at, Given under our hands the 2^d of August 1794

Harrison's
 Will

In the Name of God, Amen. I Benjamin Harrison of the County
 of Fauquier, and state of Virginia, being at this time sick in body, but of sound memory
 and perfect understanding, Thanks be to almighty God for the same, do make and
 constitute this my last will and testament, herein and hereby revoking and
 annulling all former wills by me made. Item, I commit my soul into the
 hands of Almighty God; and my body to the earth its mother to be decently buried
 by my Executors here in after named. Item, I give and bequeath unto my
 daughter Margaret Short Wagener ten pounds Virginia currency.
 Item, I give and bequeath unto David Aragon the sum of ten pounds Virginia
 currency to be paid him annually during his natural life. I likewise give unto the said
 David Aragon all my wearing apparel to be delivered him immediately upon my
 decease. This for his faithful services.

Item.

Item It is my will and desire that my Negro man called Samuel be emancipated so soon after my decease, as my executors herein after named can adopt the necessary measures for completely effecting the same; and it is further my will and desire that my said executors do pay the sum of ten pound annually to the said Samuel during his natural life for his maintenance and support.

Item I devise and bequeath (after all my just debts, funeral expences and reasonable charges against my estate are paid) all the rest and residue of my estate real personal and mixed whether in possession, or reversion, remainder or reversion, and all my rights and property in this world, except the legacies and bequests herein before given and made, to my Grand son Benjamin Harrison Wagener to be held and enjoyed by him and his heirs and assigns for ever.

Lastly I appoint Colonel Peter Wagener of the County of Fairfax and Benjamin Botts attorney at Law in Virginia executors to this my last will and testament, and desire that they may receive one hundred pounds annually until the trouble of the executorship is closed and I desire that this may be considered as one of the reasonable charges excepted out of the residuary devise and bequest made under the fifth Item of this will. But it must never the less be understood as my will and intention that the devises and bequests herein before made be executed and discharged with all convenient dispatch after my decease and that my executors do not withhold to any unreasonable amount to secure and indemnify themselves against the charge of this salary or any other charge or injure the rights of any legal claimant by keeping up the estate or any part thereof under pretence of charges at any time unnecessarily apprehended. In Witness whereof I have hereunto set my hand and affixed my seal in the presence of the undersigned attesting witnesses, and before them and in their presence solemnly acknowledged the same as my last will and testament on this second day of January Anno Domini One thousand seven hundred and ninety eight.

Lawson's
Will

This being the beginning of a new year which the Almighty disposer of all things; and let me live to this day shall reserve this page for some remarks that are highly necessary for the conduct of those who take possession of what little I leave behind me not expecting to continue long in this world from the many infirmities I am afflicted with. Capt^r Hancock Lee has a land warrant of mine for eight hundred and forty eight and a half acres which I wish to be located and disposed of for the benefit of my Creditors and wish Mr Joseph Blackwell merchant to take possession of what little I am in possession for the benefit of my Creditors and make disposal of it after my decease. True there is part mortgaged to him and Lee; which mortgage may be easily got from Thomas Edwards of Northumberland Clerk of that District Court. I would wish Edward Tigger Junior to inherit this lot of land after my wife's decease on condition that he will advance fifty Pounds to my Creditors. The lot has cost me six times as much, and more, without mentioning the first purchase; I think I cannot do Justice to those I am indebted to without this reserve and am persuaded he may make his money
