Bale's
Will

In the name of God Amen. I John Bale of the County
of Fauquier in the state of Virginia, do make this my last
will and Testament in manner following that is to say,
when I die it is my desire to be buried on my own planta-
tion with such of my family as are already deceased. all my
just debts I wish to be first paid.

Item To my dearly beloved wife Sarah Ellin Bale I give
and bequeath one hundred acres of land I purchased of James
Duff on which my dwelling house stands with the barn
and all other buildings thereon. the boundaries to be same
as mentioned in the deed by which said Duff conveyed
it to me. I also give and bequeath unto her one half of the
hundred acres of land I purchased of Samuel Conyers, first
laying of eight acres to Eli Porter along his line. the
balance to be equally divided between her, and my son
William Bale. I also give and bequeath unto her the
land I purchased of William Porter on which my mill
stands, with the mill, also the land I purchased of
Dunlop Fisher and his mother, also eight acres of land
I got of Samuel Porter and lying at the upper end
of the little Race that conveys the water to said mill
I also give and bequeath unto her the land I purchased
of Lewis Weather as agent for his brother Elijah Weather
being about eighty acres it is my desire she should
hold the above property during her life. I also give
and bequeath unto my wife during her life the following
negro slaves Daniel, George, Dick, Joshua, Winney,
Nance, Mary, & Keer, and Ben. with all my house-
hold and kitchen furniture, also all my stock of horses,
cattle, sheep and hogs, with all my farming utensils,
viz waggon, cart, Plough, Axes, Hoes & also my water

Item I give and bequeath to my son William
Baker and his heirs one hundred acres of land
I purchased of Henry Boatman I also give and
bequeath unto him and his heirs, the ballance
of the hundred acres I got of Samuel Bouyers
or one half after Eli Porter gets his eight acres
The dividing line to agreed on by him and his
mother I also give, and bequeath unto him
and his heirs one half of the land I purchased of
Lewis Withers as agent for his brother Elijah
Withers to be laid off at the west end along Boat-
mans line I also give and bequeath to him and
his heirs the two following negroe slaves the
named Sam, and the other named Bob which
I let him have some years ago, with all other
property that I heretofore may have advanced him.
Item I give and bequeath to my son in law George
Chilton and his wife Mary Ellen Chilton and
their heirs so much of the land I made entry
off and had surveyed the 17th day of April eigh-
teen hundred and one as comes within the
boundries of the one hundred acres he purchased
of John Kemper himself so as to take in his
dwelling house and part of his orchard. I also
give and bequeath to George Chilton and Mary
Ellen Chilton his wife and their heirs fifty
acres of the land I purchased of John Kemper my-
self lying on the east side of the land said Chilton
purchased and bounded on the north side by the

dividing line between him and my son John Bale I also give and bequeath to George Chiltow and his wife Mary Ellen Chiltow and their heirs one negro woman slave named Phillis and her increase. at my decease I also give to George Chiltow and Mary Ellen Chiltow his wife and their heirs a negro boy slave named Davie with all other property that I heretofore may have advanced them.

Item I give and bequeath to my son John Bale and his heirs one hundred and fifty acres of land I purchased of Peter Kemper and whereon my son John now lives. beginning at Licking Run running thence in an eastward direction so to be laid off parallel or nearly so with the dividing line between him and George Chiltow. at my decease I give and to my son John Bale and his heirs one negro woman slave named Luce, and her increase also her son Harry with all other property I may have heretofore advanced him.

Item I give and bequeath to my son Thomas Bale and his heirs the balance of the land I purchased of Peter Kemper being about twenty acres also the land I purchased of Alexander Linn. tho the deed from him mentions but one hundred and one acre yet upon an accurate survey if I mistake not will be found to be more to him and his heirs also the land lately purchased of Robert Lewis being about ten acres and lying on the south side of the new road leading to my mill, and join that of Linn to him and his heirs. I also give and bequeath to my son Thomas Bale and his heirs, one

negro boy named Tom at my decease I also give and bequeath to my son Thomas Bale and his heirs one negro boy named Manuel, with all other property I heretofore may have advanced him.

It is also my desire after the decease of my wife that Stephen Bowen make choice of one of the negroes that was left to her for her support during her life this last bequeath is in consideration of his having none of the land left to him and his heirs, I thinking the quantity of land too small to divide in so many parts with all other property I may have advanced them heretofore.

Item I give and bequeath to my son in law Eli Porter and Martha Porter his wife and their heirs the three following negro slaves viz Lude and her two sons Baldwin and Oliver and her future increase, It is also my desire after the decease of my wife that Eli Porter take the second choice of one of the negroes that was left for her support during her life for the benefit of himself and his wife

Martha Porter and their heirs, this last bequeath
is in consideration of his having none of the land
left to him I thinking the quantity I held to o
small to divide into so many parts, with all other
property I heretofore may have advanced them.

Item I give and bequeath to my son Joseph Baumfield Bale
and his heirs when he may arrive at twenty one years
of age the two following negro slaves viz Lem and Jack
also a sorrel horse at this time rising four years old, also
a cow and calf and four sheep, a bed and furniture, also
at the decease of his mother. I give and bequeath to my
son Joseph B. Bale the land I purchased of William
Porter on which my mill stands also the mill with an
uninterrupted passage for the water from the dam
at the stile house, also eight acres of land I got of
Samuel Porter lying at the upper end of the little
Race that conveys the water to said mill, also the
land I purchased of Dunlop Fisher and his mother
I also give and bequeath to him the remaining half of
the land I purchased of Lewis Weathers as agent for
his brother Elijah Weathers, to be laid off joining
the land I got Dunlop Fisher and his mother but
so as to give Joseph what wood, there is on the quar-
ry hill to Baatmans line, to him and his heirs.
Item I give and bequeath to my son George Leides
Bale and his heirs when he may arrive at twenty
one years of age the two following negro slaves viz
a boy named Stephen and a girl named Bett with
her increase also a horse a cow & calf and four sheep
a bed and furniture at the decease of his mother. I give
and bequeath to him and his heirs the one hundred acres
of land I purchased of James Duff on which my dwelling

house stands, with the barn and all other build-
ings on said land also that half of congresses
hundred acres which his mother possest.

After the decease of my wife, it is my desire
the negroes left to her for her support during
her life (that Stephu Bowen makes choice
of and Eli Porter of another) that the balance
of negroes then remaining be equally divided
among my children if such a division can be
agreed on otherwise must be sold together
with the stock of every kind on the plantation
household and kitchen furniture, with the
farming utensils, the money arising from the
sale to be equally divided among my children
or their legal representatives. It is my desire
where a crop may be growing on the land be-
queathed to either of my sons at my decease
that the crop be first taken off for the use of their
mother and her family before such son takes
possession of the same.

I do hereby appoint my wife Sarah Ellin
Ball Executrix and my two sons William Ball
and John Ball Executors of this my last will and
testament revoking all others heretofore made.

In witness whereof I have hereunto set my hand
and seal this eighteenth day of January eighteen
hundred and six.
