Pursuant to an order of the Worshipful Court Tanguier Juis and Others directed
We the Under Signed Commissioners having met at the dwelling House
the late Thomas Massey Deceased this 22nd day of Janry 1800 And in
Obedience to said Order proceeded to examine the Administration Account
as Also Other matters of Controversy Submitted to us by the parties do report
first that We find Said Estate intituled to Credit

446
Mafin Admin.
Account

Including Amt. of Sales & Other Receipts to Amt. £ 743. 13. 1
Also We find st Estate Deb^d With £ 188. 9. 7
Leaving a balance of £ 555. 3. 6

Taking therefrom the We do say Thirds Say £ 185. 1. 2
£ 370. 2. 4

There remaining a balance of

To be accounted for by the executor & Executrix of st Estate 2^{dly}
We find on examining into the quantities of Corn Hay &c Wheat
being sold previous to the death of the testator, of which W^m James
S. Triplett claimed a part that therefore the said Triplett is
Entitled to the Sum of £ 820

3^{dly} The two Negroes Respecting whom some Contention has
existed with their increase about a tract of Land lying in the
Lower end of this County is yielded up by the Executor & Executrix
& remain subject to a decree of the Court 4^{thly} On taking a slight
view of a transaction of the executor respecting a purchase made
by him of the incumbrance and a lease in Kentucky We are
inclined to think it involves a question of a legal nature therefore
submit it to the consideration of the Court

And Lastly notwithstanding the above statement of receipts
and disbursements yet We find since making st statements
that there is sundry suits in different Courts yet depending &
undetermined as well as some unsettled Act against said estate
for the discharge of which no provision is yet made which renders
of course the executing Act incomplete as well as rendering it
impossible for the Commissioners to say what will finally be a correct
statement for we conceive until these suits are decided and Act settled
We cannot state the executing Commission
