Balance due Booth Woodson

\$ 16 00

Present to an order of the County Court of Fluvanna we have examined the foregoing account rendered by Booth Woodson one of the Exors of Benjamin Woodson deceased and find he has exhibited to us the necessary vouchers in support of the several items therein charged. It appears in this account that he has only credited the estate of the decd with the amount of his own purchase at the sale which is stated to all that has at any time come to his hands or possession and for that amount he had executed his bond to William Woodson the other Exor which Bond is now in suit in the County Court of West Fluvanna. The balance of the estate has been administered by the said William Woodson whose account of Executorship has been settled by commissioners appointed for the purpose. In view of the to which account there appears to be due such equals the sum of \$10. 7. 18 1/2 we are of opinion that the amount of the foregoing account shall be joined to the credit of said Bond with out interest being charged on either, as the said Exor had no assets in hand wherewith to pay those debts and charges according to the view of the subject we find a balance in favour of said Booth Woodson of sixteen dollars as above stated. Given under our hands in the said County of Fluvanna this 25 day of April 1823
