

Burwell
William A
McKee

Ex^o

In the name of God Amen, I William A Burwell a citizen
of Virginia & at this time resident in the City of Washington
in the public service, conscious of the uncertainty of life &
anxious to arrange my private affairs, do make and constitute
this my last Will & Testament, hereby revoking every other.

In the first place it is my wish & desire that my just Debts
shall be paid with the least possible delay & that my Executors
shall in no case avoid the payment of a just claim by taking
shelter under any law, but shall be governed by the fair merits of
the Demand, for the purpose of paying my Debts & complying
with my contracts, I leave all my Estate of every description
responsible. In the second place, to enable them to comply
more easily with this wish, I desire all Debts due me be collected
(with proper regard to the principles of humanity) & after satisfying
the claims aforesaid, invested in some safe stock or public Debt
of the U. States. It is my desire that the profits of my Estate after
defraying expences, shall take the same direction. Now I give to my
son William McCreary Burwell, and the heirs of his body legally
begotten, the whole of my property of every sort & description & every
interest I may have now, or hereafter. In case my said son shall
attain the age of 21 years, I give him in fee simple all the land
I now hold, or may hereafter acquire, but in case he shall die
under the Age of 21, or shall die without a child or children
legally begotten, it is my wish and desire that all my Slaves
shall be ~~emancipated upon condition~~ they shall within five years
leave & remain without the limits of the State of Virginia; and in order
to enable them to do this, it is my wish & desire they shall be hired out
two or three years by my Executors & the proceeds applied in the best
manner in order that they may be enabled to comply with the aforesaid
condition. As I hope this subject will be properly attended to by my
Executors, I shall desire that they may receive a reasonable compensation
for their trouble. In case of the death of my son before he arrives at the
age of 21 as before mentioned & without leaving a child or children legally
begotten, I give & bequeath the land I bought of Standifer upon Honey
Creek to George Gilman (son of P. R. Gilman) in case of his death to

Martin Gilmer Vice care of his Death to Francis Gilmer, my place called Ruffs
 Quarter purchased of David Ruff. I desire may be equally Divided between
 Amos Burwell & William Burwell (sons of Jos. Burwell) It is my wish that
 Mr. Williams family shall remain on the place they now occupy during the
 life time of himself & Wife, provided they think proper; To the County of Franklin
 I have (in case of my sons death as before mentioned) a suitable piece of Land for
 a poor house, My Library of Books & Maps provided they shall think proper
 to Accept them; but in the case of my Library, I hope they will take proper
 measures to have it preserved & enlarged for the use of the Inhabitants, as it
 may prove especially serviceable in promoting the morals & information of
 the people; Lastly the residue of my property to be sold & the proceeds, together
 with the Debt due my Estate to be divided into three parts two of them to
 be used in renting or buying Land for my Slaves in some suitable part of
 the western Country; And out of the other, one thousand Dollars to be
 given Emma Gilmer & the residue to the Daughters of Jos. S. Burwell.
 To Execute this my last Will & Testament, I appoint Peachy R. Gilmer,
 John S. Burwell & Samuel Cook, my Executors. I expect that they will
 both Qualify & act, Peachy R. Gilmer I appoint the Guardian of my Son
 William M^r. Burwell, to whose kindness & attention I most earnestly
 recommend him; As the Prosperity, Happiness, & Usefulness of my Son
 are more Dear, Dear to me than any other earthly consideration, I have
 placed him under my Friend, whom I have always found correct & cannot
 better express my feelings, than by Delegating to him this Sacred Trust.
 In testimony whereof I have here unto set my hand & Seal, at the
 City of Washington January 1st 1821. W. A. Burwell Seal

I must beg my Executors to treat my Slaves with strict justice
 & see that they are never treated with barbarity.

We the undersigned three of the Commissioners appointed by an Order of the County Court of Franklin to state settle and examine the account of John S Burwell Executor of William A Burwell Dec^d beg leave to report in addition to our former report that we have performed the duties required of us by said Order and after adding the allowance made to said Ex^r and certified to us by the Court we find a balance in his favor of Eighteen Hundred Dollars ninety nine cents as will be seen by a Reference to the within Acc^t. There are several items in our opinion not Vouched for strictly according to Law, but from the explanations made to us by said Ex^r we feel no hesitation in believing that the funds of the Estate have been so far properly administered. All of which is respectfully submitted, given under our hands this 5th day of January 1824
