Baker
will

As it hath pleased God and now his will that I John Nicholas Baker of Frederick County do live in this World to considerable old age, and as it hath also pleased him to take from me to the last duty two wives to whom I was married and as it hath pleased God that I have got my perfect mind and memory to this present time although in great Weakness in my body and in a lonely & sickly state and Whereas it is the duty of every Christian who is a father of a family to bring them up in the fear of God and that they may get their living in the same by the blessing of God and knowing that it is appointed once to die do make and ordain this my last Will and Testament. First I commend my soul to God and my body to the Earth, not doubting at the day of the resurrection I shall receive I shall receive the same again and as it hath pleased God to give me a blessing of some North's Estate it is my will and desire it may be divided and disposed of in the following manner and form among my heirs and that in all peace and quietness. I do give unto my three sons

some born my second wife Viz. Nicholas Baker
 John Nicholas Baker Philip Baker and
 to their heirs and assigns my plantation and
 the land belonging to the same which is accord-
 ing to the deed four hundred acres except a
 small piece of about ten or twelve acres which I
 have given unto my son Hieronymus Baker
 and his heirs and assigns forever for which he
 paid me thirteen pounds which said lands
 and plantation is to be divided in three parts -
 according as I did enact the divisions. First
 I give unto my son Nicholas Baker and to his
 heirs and assigns forever that part of my plan-
 tation and land where my dwelling house born
 and stands stands on with the lower and up-
 per fields and orchards according as it is laid
 and marked of. Secondly I give unto my son John
 Nicholas Baker and to his heirs and assigns for-
 ever that part of my plantation and land which
 lies above the lands have given unto Nicholas
 Baker where the new field is on joining the land
 of Philip Peter Baker according as it is marked
 and laid on I give him also the use of the great spring

 to my son Philip Baker and to his heirs and as-
 signs ^{forever} the remaining part of the said land which is
 lying toward the sixth mountain according as it
 is laid and marked of joining the land of Blackburns
 above I give to him the entry of the land joining the
 said land and the aforesaid land and planta-
 tion so divided shall every part thereof be valu-
 ed and appraised by my Executors and such other
 man as they shall think proper and that as soon
 as possible after my death. If it is not done in
 my life time and out of the said Valuation all
 my just debts are to be paid and satisfied and the
 remainder of the said Valuation money to be
 equally divided between my sons and daughters
 born of my second wife. And my three sons Nicholas
 John Nicholas and Philip shall pay their shares their
 part in three payments after my death each of them
 to be made the seventh day of November which
 will

will be yearly coming after my death yearly
till the three payments are made. Further
it is my will that my Horse, Hares, Cattle and
Sheep also other goods are to be sold and the
Money arising of them to be divided Equall a-
mong my sons and daughters born of my se-
cond wife except to my youngest Daughter

of Virginia to each of her equal share. I give also
unto my said daughter Katherine during
her Natural Life the liberty to live in the said
ing House where lastly Henry Harsh did
live also to have the use of the small piece
of ^{ground} that is laid off for the said House from the
land I have given unto Melchior Baker
but if my said daughter Katherine Harsh
then she has lost her right to the said House
and Land and it falls to my son Melchior
again and it does also after her death if she
dies Harsh. I have ordained and named
