Pursuant to an order of the Worshipful the County Court of Frederick to us Charles Myron Thurston and Edward Smith together with Cornelius Baldwin directed to settle the amount of the estate of Robert Russell deceased we proceeded to examine the said Account presented by Edward Myrine and James Gamul Dawdall Executors of said estate and find that By accounts settled 19th April 1780 a Balance was struck and remained due to the Estate of the said Robert Russell of three Pounds five shillings & seven pence Halfpenny but no vouchers produced for the items of the Aforesaid Account a reason assigned for this by the said Executors is that Col^l John Smith Having been appointed with others to settle and adjust the said Account By orders of the Court of Frederick County the same with the vouchers thereof were after this Settlement put into the Hands of him the said Col^l John Smith who Being interrogated on oath respecting the said Premises declares this Allegation to be true

And further that the said Account was by him with Others
 duly settled and Vouchers produced for the whole of the
 Charges except two or three instances of small sums to the
 Amount of about four or five Pounds and that on the
 whole a small Balance remained due to the Estate of the
 said Robert Russell of a few Pounds only not exceeding
 as he remembers four or five Pounds Further the said
 Charles Myer Thurston and Edward Smith finds by
 Vouchers produced before them that for Clerks Wages
 and other debts the sum of seven Pounds eight Shillings
 and six pence also stands charged to the said Estate
 so that deducting the Aforesaid balance of three Pounds
