Ball w^{ing}
 will

In the name of God Amen I William Ball of the County of Freder-
 ick in the Commonwealth of Virginia, having now the full poss-
 session of my senses, and a sound mind, and being aware of the
 Uncertainty of Life, do hereby make and ordain this as my
 last will and Testament. Viz.

Impermis I give devise and bequeath unto my dearly beloved
 Sons William Payne Ball and Thomas Kemp Ball after the
 decease of my dearly beloved wife that part of my plantation which
 by a certain Indenture bearing date the twelfth day of July
 in the year of our Lord one thousand seven hundred and ninety
 and now of record in the District Court holden at Winchester
 is conveyed to Samuel P. Mingles in Trust for my

215
said wife during her life in Satisfaction of her dower, to
them the said William and Thomas and their heirs to be
equally divided between them so that the s^d William
Payne shall have his choice.

Item I give and bequeath to my said sons the residue of my
Lands to be equally divided between them, and to their heirs;
it is my wish that the last mentioned Lands be divided
between my said sons so soon as my son Thomas shall arrive
at the age of twenty one, and that the rents accruing from
the said lands (which I wish to be leased out) be equally
divided, until the said division of the last mentioned land
shall take place between my sons William and Thomas
and my dear daughters Judith Throckmorton Betsy Henry
and Nancy. It is my wish which I mention by way of
advice to my said dear sons that upon the reversion
falling in of that part of my land above mentioned in
the first clause to have been conveyed to my said wife
they may unite in the sale of the whole Tract, as I sup-
pose it would command a better price, than if sold
in a different manner.

Item I give and bequeath to my said son William the
Boy James to him my said son and his heirs.

Item I give and bequeath to my son Thomas the Boy Winches-
ter to him and his heirs.

Item, I give and bequeath to my dear daughter Judith Throck-
morton the Wench Milly to her and her heirs.

Item. I give and bequeath to my dear daughter Betsy Hen-
ry the Wench Annah to her and her heirs.

Item I give and bequeath to my dear daughter Nancy
the girl Winney to her and her heirs.

Item I give and bequeath all the rest and residue of

my Estate not before bequeathed to my said five children, to be equally divided between them, share and share alike. should it be supposed that I have not obeyed the dictates of natural duty to my two younger children by my present wife by pretermitting them in the disposition of my Estate I give a reason that is their Mother is so amply provided for I have no doubt that they will be in a situation with respect to property, more eligible than some of my children before spoken and it is further my wish that it may not be imputed to a want of Affection for them. I hereby constitute and appoint Francis Whiting of Fauquier Thomas Parker and Laurence Butler executors of this my last will and Testament, and guardians to the five children first herein mentioned, with a request that they will bind out each of my sons William and Thomas, with the negro boys respectively given to them to them, to such Trade or Trades, as my said sons shall respectively chose, and in case either of the negro boys should die, it is my wish that my Executors will replace another out of the Estate of my son, to whom such deceased boy might have belonged. In Testimony whereof I have set my hand and affixed my seal this 14th of May 1796.

Signed sealed published and declared by the Testator as his last will and Testament in our presence and attested by us in his presence.
