In obedience to an order of the Court of Frederick County made at the last December Court We have Examined the accounts of the Estate of William Strubling deceased with William Hodgson Administrator to the same and certify that we have compared the charges against the said Estate, with the Vouchers exhibited and find the same correct; Also that we have compared the Credits given with the Entries in the Books of account kept for the Estate all of which we find correspond with the Entries in the said Books. Several small charges appear for which there are no vouchers, such as travelling Expenses &c. but which appear to us reasonable & just. with respect to the Charge of less than Commission charged by the said Administrator we beg to submit the same to the Discretion of the Court whether or not it is too high but only observe that it does not appear to us more than an adequate compensation for the trouble of settling the business owing to the nature of the Transactions and the number of small debts scattered in different directions necessary to adjust & collect. We also certify that the balance of thirty five Pounds of 84 appears to be due from the said Administrator to the Estate of the said W^m Strubling deceased admitting the charge of Commission and of travelling Expenses &c. before mentioned to be right & proper. In Testimony whereof we have hereunto set our hands Seals at Alexandria this twentieth Day of February 1798.
