Parkins go^g
will

Be it known to all Christian people that I Joseph Parkins of the County of Frederick and State of Virginia being at this time of perfect and sound mind and memory, but calling to mind the uncertainty of life do make and ordain this my last will and testament, hereby revoking and disannulling all former and other wills by me heretofore made ratifying and confirming this to be my last will and testament.

First It is my will and I do order that all my Just debts and funeral charges be fully paid and satisfied.

Item I give and bequeath to my beloved wife Susannah Parkins to her and her heirs and assigns forever an undivided half of my Paray Pond farm which was conveyed to me by David Brown, containing in the whole by survey five hundred acres be the same more or less. I also give to my wife Susannah Parkins the other half of said farm during her life. I also give to Susannah Parkins the new frame house I now live in, and the lot it stands on also the meadow and orchard lots as

they are now inclosed, and annexed to each other, as long as she remains my widow. I also give to my wife Susannah Parkins two hundred bushels of wheat, or the current value thereof (It shall be optional with her which to take) for the support of her family till she can get a supply from the Paddy Pond farm. It is also my will that while Susannah Parkins's right of possession remains in the house and lots near the mill she is to school and educate all our children except Alfred, and him also till he arrives to ten years of age; and if Susannah should marry before the children have a sufficiency of schooling the expence thereof must be paid out of the profits of mill. I also give to my wife all my live stocks, likewise all the household and kitchen furniture. It is further my will and I do order, that if there is any money arising from the profits of the mill that is not wanted for necessary exigencies of the Estate, before the children come to age, that my Executors pay the same to my wife Susannah Parkins so long as she remains my widow, and if she should marry the money if there should any come to hand after that time is to be equally divided among my children when they arrive to full age. It is also my will that if my children should depart this life under age and without issue (lawfull) the Survivors or Survivor of them shall be entitled to such deceased child or children's part.

Item. I give and bequeath to my son Alfred Parkins one half one half of the tract of Land now live on and one half of the mill and appurtenances thereto belonging to him, his heirs and assigns forever. And my will is that he be put in possession thereof when he arrives to twenty one years of age.
