Robert Holliday of the County of Frederick being weak in body
well but of sound mind and memory do make and Publish this as my last
will and testament. In the first place I desire that my personal property
should immediately after my decease be sold and the money arising therefrom
be applied by my Ex^{or} towards the payment of my just debts and funeral
charges, Should my perishable property prove insufficient for the above
purposes then I desire that my Ex^{or} sell my lands on Cumberland
River or elsewhere (than in Virginia Excepted) as also my houses and
lots in the town of Bath, Berkeley County, together my Pine Hill land
adjoining Joseph Baker and others and out of the monies arising
therefrom pay and satisfy such of my debts as shall remain unpaid
out of the sales of the Perishable part of my Estate the residue of any
to be equally divided amongst my Brother and Sister share & share alike
Them, I will and desire unto my Brother William and his heirs
and during the natural life of my respected Mother My Round
Hill Tract of land near Winchester in trust for the use of my said
mother during her life that is to say for her sole and separate use
the rents and Profits thereof are to be received by her alone and
not by her present husband or to his use and to be disposed of only
by an Instrument under her hand attested by two credible witnesses
and not otherwise and it is my further desire that my Brother
William permit my said Mother to occupy & work said farm
if she shall chose so to do in preference to renting the same
Them, from and after the decease of my said Mother I will & devise
the said Round Hill tract of Land unto my surviving brother and
sister share and share alike (except that my brother Alexander
shall have two shares) to them my said surviving brother & sister
and their heirs and assigns forever My distinct meaning by the
and surviving is, those who shall be alive at my Mother's death
Them I will and bequeath unto my Brother William the sum of
two hundred and eighty four Dollars out of the money due to me
from Robert Lockhart and it is my desire that this money be first
used for the payment of my debts having amply provided for them above

Item I Give and bequeth unto my said Brother William in trust for
 my said Mother the ballance due ~~to~~ from said Lock tract or from any other
 to be paid to my said Mother and her only and not her husband or to
 his heirs use And I do desire My Executor to place the said Legacy
 in such a situation as to render the same most and more effectual
 Whereas my deceased father by his will bound to me among other
 things fifteen hundred acres of Military land and to my Brother
 Elijah five hundred acres of Military land and it hath been discussed
 that if I take fifteen hundred acres my said brother Elijah would
 only have two hundred left since there is a deficiency of three
 hundred out of the two thousand then divided Now it is my
 wish and desire that my said Brother Elijah be allowed the
 full five hundred acres thereby attaching the loss and deficiency
 to my said legacy and set to his Lastly I do hereby appoint
 my trusty friend Archibald Majell Esq of this my last will & testament
 revoking all former wills In Testimony whereof I have hereunto
 set my hand and seal this 30th day of July 1802
