 Here & Real Estate above named appears by the will of said
 Testator to be placed under the control & management of said
 Executors. I have also charged said Executors with the duty of
 5000 due said Testator at the time of his decease with the
 exception of the undivided interest being one moiety of all money
 Bonds & notes due to the firm of ~~James & John~~ ^{James & John} Johnston in
 the mercantile business at the Court House when it shall be found
 as said effects have not yet come into the hands of said Executors
 but have been placed in the hands of an agent by the surviving
 parties for collection and when collected will be paid over
 to said Executors by the surviving party and upon them become a
 charge or debt in addition to the amount of said debt against them
 in the Settlement. I have also referred in the will that money that
 may come into their hands by selling or by sale of any of the real
 Estate above referred to in this report as the real Estate of the said
 Testator above referred to in this report as the real Estate of the said
 Testator belonging to said Estate. The Executors for use of the Estate allowed
 that said land in the Settlement. Accompanying this report, and appen-
 dice to the plates and so on referred to correspond with the
 Credit shown contained and so designated by the reference made
 of them & by use. It may also be proper here to state that I
 do not having completed the Settlement of said Estate, I am
 prepared for any part of the Estate as it may hereafter appear
 them by your Commission in this Settlement.

Very Respectfully
