This Deed of Trust from William Smith
to George Morgan Trustee to receive a debt
due Thomas Peck which was acknowledged
before the Clerk in his office on the 10th day of
the instant and returned into Court and pre-
ced to be recorded
Teste David Smith Clerk

Comp.
Report
D. Bailey
Estate

The Undersigned have agreed to an order of
Hills County Court made at the January Term
1828 appointing a Commissioner to examine the
and settle the accounts of James M. Laugherty
and William Smith executors of the Estate of Hannah
Dailley deceased being first duly sworn for that
purpose have performed that duty and make
the following report

First I find that agreeable to an Inventory or list
of the sales of the property of the said Hannah Dailley and
and certified by the Clerk of Hills County Court to be
returned into Court and ordered to be recorded, that
the said property which did belong to the said
estate was sold for the foregoing sum of \$409-13 $\frac{1}{2}$
I also find from the Admission of the said James
M. Laugherty and William Smith that the following
accounts which are entered in the inventory of Credits
has and can be collected to wit

An acct. against John Blankenship of	\$16.37
due do. against Samuel Thompson for	1.00
due do. against Jacob Barber for	242
due do. against Isaac Barber for	64
due do. against John Spangler for	28 $\frac{1}{2}$
due do. against John Peck for	9.50
due do. against Abraham Price	15

also species of leather which was sold after the
day of the first sale and for which they rec^d payment 1.00
making a sum in the inventory of Credits and for \$29-85 $\frac{1}{2}$

472

Making a total amount for which the property was sold
and for the inventory of Credits the sum of \$458.99
your commissioners further report that the said James M. Laugherty
and William Smith produced ^{him as a party} made by Elizabeth
and John Peck in a controversy between the said James
M. Laugherty and William Smith as executors of the
said Hannah Dailley and John Peck that by the said
award there is found due the Estate of Hannah Dailley \$161.93
with interest on \$140 from the 23rd day of May 1820 and interest
on \$21.93 from the 25th day of September 1826 until paid
which award was on the following conditions over that
the heirs and legates of Hannah Dailley be and do convey
to John Peck one moiety of the land which was conveyed
by John Peck to Hannah Dailley who is now deceased and
Elizabeth Peck and it does not appear to your commissioners
that the heirs and legates of the said Hannah Dailley be and do
comply with and performed the conditions of the said
award therefore I am of opinion that the executors are
not chargeable with the amount found due by the said
award to the said Estate as assets for their heirs at this
time. Nor unless the said heirs and legates do comply with
the conditions of said award, your commissioners further
report that the note charged in the inventory of Credits
against William Murphy for 13 Bushels of Corn one
bond executed by John Peck to William Peck for
500 weight of Merchantable hemp or as much money
as will purchase said quantity of hemp with a credit
advised thereon of \$1-19-0 and one note on Thomas
Robinson executed to William Peck for fifty seven seven
shillings or thirty pounds of King and root with something
like a credit of twelve shillings and one note which note
and bond is charged on the inventory of Credits the
said executors state that the said William Murphy
is now inhabitant of this County and that they have no
knowledge of his place of residence. And had they
have no knowledge of the said John Peck mentioned in
said bond, nor the said Thomas Robinson mentioned
in said note ^{as to} within their knowledge and of
course have made no trial to collect nor have they
collected any part thereof - your commissioners are
therefore of the opinion that the said executors have

479

credit with the estate of the said Hannah Bailey for
 for the said note in William Murphy for \$1000
 and the said bond on William Bailey as above
 described and the said note in Thomas Robinson
 as above described. The said executor further
 shew to your Commissioner that the note charged on
 the inventory of Credit and Martin Petty for \$533
 cents they have sent on to the County of Logan where
 he resides and ordered suit against him, But as yet has
 not received any part thereof and that the suit against
 Samuel B Blankenship of one dollar as they have
 brought suit for and have reason to believe it
 cannot be collected your Commissioner are there-
 fore of opinion that the same against Martin Petty and the
 acct against said B Blankenship remain for further settle-
 ment. I also find from Vouchers produced to me
 by the said James McChargerty and William
 Smith that they have paid charges (which appears
 to be legal against the estate to the amount of \$43.49 3/4
 cents. To the amount of each of their charges for
 services as executor which I have examined
 and allowed two out to James McChargerty \$17.00
 To William Smith \$11.00
 Also to paid Commissioner for making out this
 report \$1.00 making a total amount of \$72.49 3/4
 And having a balance in the hands of the said James
 McChargerty and William Smith on this day of \$366.49 3/4
 cents which is due from the 18th day of March
 1827 the said subject to a credit of \$200 cents then
 Commission on the Collection of \$40.49 3/4 cents which
 they collected and paid to claimants
 All which is submitted
 31st January 1828 And as Shurtown Comr.
