

Washington
Marshall's
Will.

In the name of God amen. I Samuel Washington Marshall
of the county of Gloucester State of Virginia being of sound mind
and disposing memory do make this my last will & testament
1st I give devise & bequeath to my beloved wife Susanna Marshall
all the property real & personal now owned by me so long as she
may live; at her death I desire my real estate to be divided
between my three sons Geo: David, Saml H. & S. Dns Marshall
in the manner & form following -

2nd To Geo David Marshall to have the lot of land together with
all the buildings thereon on which he formerly resided estimated
to be 3 acres more or less, the dividing line between this & my
other lands to be as the fence enclosing the said land now runs,
3rd Saml H Marshall to have all that portion of land lying
west of a straight line running from the locust tree which
stands in the yard of Jno Card to a marked pine standing on
the ditch bank on the line of fence at present enclosing my
fields, thence as by the chopped trees to Butlers Creek. This is
estimated to be Ten acres more or less

4th S Dns Marshall to have all the land lying east of the above
described line and south of the lot given to Geo David Marshall
estimated to be Fifty acres more or less. Together with all the
improvements thereon.

To my daughter Mary Jane Spawns and to my sons Wm J. and
John Henry Marshall I leave one dollar each; to be paid by my
sons, Geo: David, Saml H. and S. Dns Marshall whenever they may
come into possession of the said lands.

will

improvements thereof,

✓ To my daughter Mary Jane Shanno and to my sons H. J. and John Henry Marshall I leave one dollar each, to be paid by my sons, Geo: David, Sam^H, and S. Dora Marshall whenever they may come into possession of the land above bequeathed to them.

I should have divided my little effects equally between all of my children, but the portions would have been so small to each, that I do not think any of them would have been materially benefited. Hence it, I have left out those whom I think can best do without it.

Witness my hand & seal this 25th day of January 1887
