In Obedience to the annexed Order We the Subscribers have viewed the way proposed by William Radford for turning a part of the three Notched Road and find it to be about Fifty five Yards nearer than the former Way, also that it runs within One Hundred and Sixty Yards of the said Radford's Spring, tho' the Waggon may drive within Forty Yards of it — also within Sixty Yards of a Spring of John Lewis's and we are of Opinion that it may be made a

better Road than the former, it avoids Saddlers Hills which are notoriously known to be as bad as almost any in the County - the 5^d road will run through a part of Col^o. John Lymes William Perkins's & John Lewis's Lands. - Given under our Hands this 12th November 1790
