Grayson June Court 1823

This assignment was returned to Court and ordered to be
Recorded. Test Martin Dickenson Clk.

In Obedience to an order of Grayson Court made at March 1823
Report directing us to examine State and settle the accounts of James Anderson
Executor of Daniel Cooley Decd. we have proceeded on the 28th day of May
1823 at Grayson Clerk's Office to perform that duty James Anderson
of D. Cooley Decd. and one of the administrators of George Currin Decd. &
one of the Joshua Stoneman also one of the administrators of the said
George Currin Decd. who was the other Executor of Daniel Cooley Decd.
being present and beg leave to make the following report. It ap-
pears that there came to the hands of the Executors of Daniel Cooley Decd.
personal property which was sold on the 6th day of June 1812 on twelve
months credit for the amount of \$1,73.53 cents. That there came to
their hands about the same time \$50. a debt due from Martin
Dickenson and since that period there has come to their hands for
rents of Lots h. & 129 at several periods.

The Account will stand thus.

Amount of Sales	\$173.53
Debt from Dickenson	50
For Rents	129
Amount of appts	\$352.53

It appears that the said Executors have paid out and expended the sum
of \$255.04 vouchers for which have been produced a list of which is hereto
annexed and which we wish to be considered part of this Report which
being deducted from the amount of appts leaves in their hands the
sum of \$97.49 an apptaining from which of the Executors this sum
is due. We find that there is due from James Anderson \$34.09 and
from Currin Administrators \$63.40 and that they have not received any
compensation for settling the Estate. We would further remark that other
Rents than those contained in the account have been received by the
Executors but which have been paid in repairs which were necessary to
be made on the lots and have been omitted as unnecessary in this report.
