In pursuance of an order of Grayson Court made at February Term 1824 directing us to examine State and settle the accounts of Samuel Cox acting Executor of Daniel Cox Esq. We have proceeded on the 16th day of September 1825 at the Clerk's Office of Grayson after being sworn to perform that duty and begin leave to make the following Report. It appears that the Executor after distributing the legacies mentioned in the Will was then in possession of property debts and money contained in a list which has been returned into the Clerk's Office and Recorded, amounting to the sum of \$2983.62 & cents the principal of which was property sold a part thereof on the 29th day of June 1819 and the Residue on the 22nd November 1819 and 22nd January 1820 the whole of the purchase money become due on the 29th day of June 1820 and since the return of the list of Sales by the Executors our report there has come into his hands accounts to the amount of \$175.53 cents which sum added to the amount of above Will amount to the sum of \$3159.15 cents and it appears from the vouchers that the said Executor has paid out \$135.98 & cents and a note on Daniel Burford of \$18.09 not collected which added to the above vouchers filed makes \$154.07 & cents which sum taken from the above will still leaves a sum in the Executors hands of \$3004.12
