This pursuant to an order of Court made at June Term 1829 directing us
to examine the will and settle the account of Edward Jones and Isaac Edwards Executors
of George Springfield Dece. We have proceeded on the 28th day of August 1829
at the dwelling house of James Anderson in the County of Grayson (after
being duly sworn to perform that duty) to make the following
report. It appears that the Executors after distributing the specific legacies
mentioned in the will they were then in possession of property debts & money
contained in a list including a tract of land which has been returned
with the Clerk's office and recorded amounting to the sum of three hundred
Dollars forty nine Dollars, property & land sold part on the 6th day of Septem
ber 1829 and the balance on the seventh of the same month. There also
appears to have come in to the Executors a note on James Jones for five
Dollars One D^o on John H. Caudle part of which was paid the balance is
One Dollar & forty two cents a balance of a note on Aaron Pitter
of One Dollar & fifty cents, also a receipt from Eli Harvey for seventy
Dollars which notes & receipts has not yet been collected. There is
deficient other legacies named in the will for money which has not been
settled and the Executors having produced vouchers to the amount of
seventy nine Dollars nine Dime fourth cents which taken from the above
sum of three hundred and forty nine Dollars three Dime a balance
in their hands of two hundred and sixty nine Dollars nine & three fourth
