Note. The Commissioner is requested to state to the Court that there is a bond due by the Trustee to Mary Baughly, which after deducting the credits thereon leaves a balance due up to the 15th February 1847 of \$192.43cts which the Trustee brother living in the State of Missouri, had by writing promised the Administrator to pay. And there is no funds in the hands of the Administrator to pay off the same, unless he can get the amount promised by his brother.

Very Respectfully Submitted
