Act. The above credits are not given by Jeremiah Salt who since the last statement of his account current by former commissioners as referred to in charges of a balance due him from — Mr. Samuel Perin as administrator, or Richard Wade his administrator having given no credits — as will manifestly appear by the report following, to which the Commissioners by leave to refer the Worshippful Court, — To Wit, — "In obedience to an order of the County Court of Halifax — we the undersigned commissioners have proceeded to take into account the accounts current of Richard Wade administrator of Samuel Perin deceased who was administrator of Samuel Perin, and Jeremiah Salt administrator of the said Samuel Perin deceased with the said Samuel Perin's Estate in manner within stated. But we by leave to report specifically to the Worshippful Court upon the following facts, viz^t, That the account laid before us by the said Richard Wade consists of charges only against the Estate of said Samuel deceased without any credits being entered either by the said Samuel Perin in his lifetime or by the said Richard Wade administrator since his decease — That a considerable space of time elapsed after the decease of the said Samuel & previous to the attestation of the Writ under the seal of the administrators during which the produce of the labour of many Slaves which the Estate consisted of, & valuable lands is not accounted for — nor having satisfactory account of the profits of the said Estate and the application of them profits been submitted to us occurring after the attestation aforesaid. That the account laid before us by the said Jeremiah Salt consists of one item of debt, as expressed in the statement said to be a balance due him from one statement by former commissioners — of this item your Commissioners have no knowledge sufficient to render the charge admissible and therefore refer it to the Court. The credits are explained by the preceding note to this report. Your Commissioners further report that neither the appraised value or the account of Sales of the Estate of the said Samuel Perin deceased brought to light by this statement, because the administrators aforesaid refused to credit either — and your Commissioners have reason to believe that a considerable crop of certain Tobacco as also a sum of money were handed out the time of the decease of the said Samuel Perin — the application of which is not rendered. — Upon the whole your Commissioners have only stated such charges introduced by the administrators aforesaid, and their judgment would be admissible upon the grounds of an appearance of a fair statement of credits — and report them with submission to the judgment and correction of the Court as the best in their power to obtain."
