In The name of God Amen I Thomas Haskins of the County of Halifax being in a low state of health but having my full recollection and memory do make and declare this Instrument of writing to be my last will and Testament hereby revoking all other wills heretofore made by me and intending this to be my only will and Testament in the first place I direct my body to be buried in a decent

manner at the discretion of my executor, herein after named. Item I direct my
Just debts to be paid with as little delay as possible and to that end
I subject my whole estate both real and personal. Item I direct that my whole
estate be kept together in the manner it may be at the time of my death,
untill the Crop then growing may be finished. Item my will and desire is
that all the negroes that I may die possessed of shall be equally divided between
my eight sons and daughters (Viz) John, Thomas, Creed, Aaron, and Robert,
and Fanny, Sally and Rebecca, and in this division, the negroes with all their
increase which I have put into the possession of my son John & of my
daughter Fanny, who has intermarried with Miles Finny, are to be returned to my
estate, and the whole equally divided as directed by this clause but my said son John
and my daughter Fanny are to retain the possession of them untill the time
directed for the division, and are not to account for the use and profit of them
and should I before my death provide any other or others of my said eight children as
before named, with negroes; the same provision is to apply, which is made respecting
those in possession of my son John and my daughter Fanny. Item I give to my daughter
Sally and daughter Rebecca each of them a horse, the best that I may die possessed of, to
each of them a bed bedstead and furniture and a saddle and bridle. Item I direct all
the rest of my estate of every kind and nature whatsoever to be sold and the money
arising therefrom to be applyed in the following manner (Viz) to my sons John, Thomas,
Creed, Aaron, & Robert I give each the sum of eight hundred pounds, and to my daughters

Fanny, Sally, and Rebecca each the sum of three hundred pounds & should ^{then} remain
a surplus of money after paying my debts and legacies aforesaid I then direct such surplus
to be equally divided between my aforesaid eight children but should the money arising
from the sale aforesaid be not sufficient for the purpose mentioned, then I
direct the deficiency to be made up out of the portions given to my said daughters
Fanny, Sally, and Rebecca equal proportions, and as I have purchased for my son John,
a tract of land whereon he now lives and to which he has a title, at the price of five
hundred pounds, I intend that this shall be considered as a payment to him of
five hundred pounds part of the legacy of eight hundred pounds herein devised to him &
as my son in law Miles Finny has purchased a tract of land in Mecklenburg
adjoining a tract which I own on Blue Stone Creek in the said County, now my
desire I will is that if the said Miles Finny shall make the said intended
purchase before my death then I give my said tract of land on Blue Stone
to my daughter Fanny wife to the said Miles at the price of three hundred
pounds, and in lieu of the aforesaid legacy of three hundred pounds devised
hereto whereas by the last Will of my late Brother Creed Haskins, my
my sons before mentioned were intitled a tract of land to be divided amongst them which
tract of land I execute in the will of the said Creed Haskins do have & do understand
that my sons shall each make a little to his share when he arrives at age now I do hereby
provide that in case either of my sons shall put up a Claim to any part of the said tract,

of land or shall refuse to make a title as soon as it shall be required after coming of age -
or shall claim from my estate any thing in consequence of such sale made by me then
I direct such son or sons legacy of eight hundred pounds herein devised to him, to be
withheld and in such case do hereby revoke the devise of such legacy or legacies
them having made ample provision for my son William in his lifetime time, and
made such provisions for my daughters Lucy Neal, & Eliza Coleman as I have thought
just and reasonable I have omitted herein to make any devise to them or their
representatives If either of my children to whom devises are herein made shall die
without issue and under the age of twenty one years the legacies given to any such to be divided
equally between the surviving legatee in the will and their representatives - I appoint
my friend John B. Scott, and my sons John Haskins and Creed Haskins executors of this
my Will In Witness whereof I have hereunto set my hand & seal this 25th day of March 1800.
