Henry Jordan's
Will.

In the name of God amen; I Henry Jordan of the County of
Kenia, being of sound mind and memory do make and constitute this my last
will and Testament. In witness, It is my desire that my wife Martha
Jordan, as long as she shall remain unmarried, or my widow, shall have the
sole use of my lands, or plantation, on the north side of the roundabout, in the
County of Kenia, commonly ^{called} or known by the name of mount-ain, but should
she marry again, it is then my herein intention, that my said wife from and
after that period, shall only have the use of her things in the aforesaid lands,
during the remainder of her natural life. At the death of my aforesaid wife
it is my desire that my Lands or plantation aforesaid, should be sold
by my Executor hereafter mentioned, as the Law in such cases directs, in such
manner as he shall think best, or most to their advantage for the joint and
equal benefit of my three Children, viz; Elizabeth, William Bullington, and
Mary Rudellessy Jordan; Or in case my said wife should marry again, reser-
ving to her her things, it is my desire that the remainder or other two thirds of
my aforesaid plantation, should at that period be sold by my Executor afo-
said, in manner aforesaid for the joint and equal benefit of my aforesaid three
Children; and at the decease of my aforesaid wife, the third of my aforesaid
plantation, which in such case was reserved to her use during her natural
life, shall likewise then and in like manner be sold, for the joint and
equal benefit of my said Children. The use of my aforesaid lands
during my wife's widowhood, is herein intended instead of Dower, or any
other right or claim to any other part or parts of my Estate, real or personal,
an equal share with my three aforesaid children, in my household furniture
excepted, which I give and bequeath to my said wife to be at her own dispose.
All the rest and residue of my estate, after paying my just debts and educating
and maintaining my aforesaid three Children till they come of age or marry,
it is my desire should be equally divided amongst them. And Lastly
I do hereby constitute and appoint Captain Edward Lee, of the aforesaid County
to be the sole Executor of this my last will and Testament, hereby revoking
and making void all and every other wills or wills by me heretofore
made.

In witness whereof, I have hereunto set

W^{rs} Matthews's account as Administratrix of Edward Park dec^d
as stated within is taken from accounts exhibited to us, some of the items
of which are supported by proper vouchers; the rest from their nature
appear to us to be reasonable: We therefore give it as our opinion, that
the within balance of Seven hundred and sixty six pounds fourteen
shillings and ten pence is due the said Administratrix agreeable
to the said account; but being informed by her that there are yet other
accounts, which are necessarily involved in these, and which cannot
now be exhibited, our final opinion is suspended for further information.

Agreeably to an order of the Worshipful Court of ^{to us directed} ~~Honors~~ we have
gone thus far in the business.
Feb^y 23rd 1791.

Lam. Coleman
A. M. Robert

Pursuant to the abovementioned order of Henrico Court dated January 1791, we have again taken up the accounts of Mr. ~~Geothorine~~ Matthews as administratrix of Edward Bark dec^d and it appears to us that in addition to the above balance of seven hundred and sixty six pounds fourteen shillings and ten pence, with interest thereon from the twenty third of February 1791, the additional sum of Eighty nine pounds thirteen shillings and six pence three farthings is found due from the Estate of the said Edward Bark dec^d to Jonathan Bark for which the said Administratrix is liable, as appears by a Statement and award of Arbitrators chosen mutually for that purpose, with interest thereon from October One thousand seven hundred and eighty three.

We are informed also by Colonel Matthews who acts for the Administratrix, that there is yet a balance due from the Estate on account of the maintenance and education of Edward Bark Orphan of Edward Bark dec^d, which, it is not yet in his power to ascertain, and which for that reason, we have subjoined at the foot of the within account and left blank. We are informed also, that exclusive of the negroes which were temporarily divided before the accounts came under our inspection, and of which no account has been exhibited to us, there are bonds due to the said Estate as ^{of} list subjoined to the credit side of the within account, the collection of which except so much of those due from Jonathan Bark, as will balance the award of the Arbitrators in his favor is extremely doubtful. We are also shown a considerable number of claims in favor of the said Estate on ^{all} open accounts, which from their long standing, and therefore being barred by the Act of Limitations, little or nothing is to be expected.
