partners according to the respective shares or interests of the said partners in the said concern. I own three fifths, the other two partners each own one fifth. my wish is that the slaves belonging to the said concern may not be sold, but that they be divided, and I hope that the other two partners will consent to a division of the slaves. These slaves namely my three fifths of the slaves belonging to the Ropewalk concern as well as all my other slaves (except such as are herein before bequeathed to my children) I give and bequeath to my four daughters equally to be divided between them but my wish is that these slaves be hired out from year to year until my daughter Mary Ann shall attain the age of eighteen years and the money arising from their hire shall be applied towards to the maintenance and education of my daughters, and at the end of that year in which my daughter Mary Ann shall attain the age of eighteen years, a division of the slaves among my daughters shall take place. but if it shall happen that my daughter Rebecca shall be married before my daughter Mary Ann shall attain the age of eighteen years, in that event my desire is that at the end of that year, in which my daughter Rebecca shall be married that she (Rebecca) shall have allotted and set apart to her her share of the said slaves that is one fourth part of them and the remaining three fourths of the said slaves shall continue undivided until the end of that year in which my daughter Mary Ann shall attain the age of eighteen years, and shall then (the three fourths) be equally divided among my three youngest daughters. 13th Out of the proceeds of Sale of my lands and tenements as mentioned in the fourth section of this Testament and of the proceeds of sale of my goods and chattels as mentioned in the eleventh section of this Testament, my son William shall be entitled to receive three thousand dollars, and the residue of the said proceeds of sale (after paying ^{the debts} bequeathed to Nancy Diggs) shall be equally divided among my four daughters. 14th The several portions given to my children when reduced into money, will either be vested in the purchase of Stock in the funded debt of the United States, or be laid out on Interest as to the Guardians of my children shall seem best, and the interest arising from their respective shares or portions (or so much of it as will be needful) will be applied to their maintenance and education respectively - but if from any cause it shall happen that the interest together with the hire of the slaves shall not be sufficient for the Education and maintenance of my daughters, in that event so much of the principal as will be needful must be applied to that use. 15th The legal estate in the lands and tenements belonging to the Ropewalk concern is wholly in me, altho' the before named John Langan and William Nicholson are each entitled to one fifth part thereof, when a sale of the said Lands and Tenements takes place my Executors will convey the title to the purchaser. 16th A slave named Ned commonly called Ned Thomas belongs to the Ropewalk concern

my wish is that this slave shall be Emancipated, and I hope that the other partners of the Ropewalk concern will consent to it, as far as I have any interest in him I declare him free, and if on dividing the Ropewalk slaves it shall happen that this slave shall fall to the lot of either of the other partners, I direct that my executors purchase him and set him free. but I flatter myself that the other partners will without hesitation consent to his emancipation without taking him into account in the division of the slaves. 17th The debts due from me will be paid from the collection of debts due to me, and if there should be any surplus of the debts due to me, that surplus will be equally divided among my four daughters. 18th I appoint my friend William Pennock of Norfolk Guardian to my son William until he attains the age of twenty one years, and I appoint my brothers Thomas and Andrew Nicolson and my friends Doct. John Brungen and Charles Keeland Guardians to my four daughters until my daughters respectively attain the ages of twenty one years, or shall be married these guardians to my daughters will either act jointly as guardians to my four daughters, or separately that is each acting as guardian of one of my daughters as they (the guardians) may agree among themselves. 19th And lastly I appoint my brothers Thomas Nicolson and Andrew Nicolson and my friends Doct. John Brungen and Charles Keeland to be Executors of this Testament. And as I have full confidence in their integrity, I desire that no security be required of them or either of them, and in Confirmation of this Will and Testament I have hereunto set my hand and seal this 12th day of March in the year 1802.

Geo. Nicolson

Signed Sealed acknowledged published and declared to be my last Will and Testament in presence of
 Jas. Rowland, Wm. Block, William W. Weymouth
 John Graddock, Richard Crouch, Jno. Tyl^r Nevey
 Richardson Teylor

From the wording of the thirteenth section of this Testament, it might possibly be conceived that I intended to give my son William two several sums of three thousand Dollars each; to guard against such misconstruction, I think it necessary to declare that only one sum of three thousand dollars is intended to be given him by that section. And to this explanation I have subscribed my name in presence of

Geo. Nicolson,

At a monthly Court held for Henrico County at the Courthouse on Monday the fifth day of July 1802. This Will together with the Supplement thereto subscribed were proved by the oaths of James Rowland William Block and William W. Weymouth witnesses thereto and Ordered to be Recorded. And on the motion of Thomas Nicolson and Andrew Nicolson Executors therein named who made oath thereto according to law

and entered into and acknowledged their bond on the penalty of five thousand pounds, conditioned as the law directs, without any security it being directed by the said Will that none should be required of the executors therein named; Certificate is granted them for obtaining a probat thereof in due form; Liberty being reserved to the other Executors named in the said will to join in the said probat when they shall think fit;

There is a difference of 8 dollars and 21 cents, between the gross amount of sales and the amount of purchases of the different purchasers here set down, and it is not discovered how this difference arises. The purchasers from 1st to 25 (both inclusive) have executed bonds for the amount of their respective purchases except that William W. Weymouth executed bond for only \$1208.60/100 the other five hundred dollars he was charged with in account with George Nicolson's Estate, and except John Allen (he John Allen) paid ten dollars in cash in part of his purchases and executed a bond with William Ligon and James Reid as his securities for 93 dollars and 30 cents; which was 5 dollars and 28 cents less than it ought to have been, when the mistake was discovered he promised to execute a new bond so as to include the \$5.80/100 but did not, and in sending his bond back and forwards to and from Rockett, to have the mistake rectified it got lost or mislaid and can not be found so that it is supposed a suit in Chancery will be obliged to be commenced against Allen and his securities for the recovery of the \$93.80/100 and he, Allen, must be warranted for the \$5.80/100. Andrew Nicolson and Thomas Nicolson being the only two executors who have proved the will can not execute bonds for their purchases payable to themselves but they are respectively accountable for their purchases. Rebecca Nicolson and Mary Ann Nicolson,

being infants cannot execute bond for their purchases, nor is it needful, as they will be debited for their respective purchases as so much in part of their respective shares of their father's estate. John Brungen has not executed a bond for his purchases but has given his receipt for the amount thereof and will be debited therewith in account with George Nicolson's estate. The purchases made by William H. Mason are debited to his father as so much in part of the debt due to him from George Nicolson. The purchasers from A^o 32. to 36. both inclusive have paid cash for their purchases amounting to 409 dollars and 16 cents which sum together with the ten dollars paid by John Allen, we Thomas Nicolson and Andrew Nicolson the qualified executors, have received,
