In the name of God Amen I John Kelley of the County of Henrico being in a feeble state of health, though of sound and perfect memory do make this my last Will and Testament in manner following to wit: It is my will and desire after my decease that all funeral expences be discharged and all my just debts be paid - Item 1st I leave to my loving wife Sally Kelley all my Estate both real and personal during her unmarried or unmarried life but should she again marry or not it is my Will and desire that she be put to what the law allows her only. Item 2^d It is my will and desire that my Lands be divided in manner following Viz 1st Item I give unto my eldest son Marshall Kelley all the Land that I purchased of Mr Jeps Smith that lies south of the three chopt road to him and his heirs forever. Item 2^d I give unto my two sons Maj^r and George W Kelley the Tract or parcels of Land that I purchased of Richard Cottrell to be divided in manner following, Maj^r to have the upper part and George the lower part to run a strait line from a small black oak standing in Smiths line to a black oak standing in Williams line each tree marked with three chops and standing near the old path called the Bridge path to them and their heirs forever. Item 3 I give unto my youngest son William Kelley the house where I now live together with all the Land I now own lying north of the three chopt road to him and his heirs forever. Item 4th I give unto my

I William Fuzsel of Henrico County do declare this to be my last Will in the following manner that is to say I lend to my wife Elizabeth Fuzsel the third part of my land lying on the south side of the road during her life. Item I give and bequeath unto my son John Fuzsel one negro boy Robert and my land lying on the south side of the road to him and his heirs forever. Item it is my desire that my two acres of land whereon my smiths shop with the houses and smiths tools all that belong thereon to be sold to the best advantage and after my just debts being first paid the money to be applyed to the schooling of my two Daughters Lucretia and Betsey Fuzsel each of them having five years schooling and then to be put out under some discreet woman to be brought up in as good a manner as their Estate will admit of: it is also my desire that all my land lying on the north side of the road after the death of Susanna Freeman to be sold and the money arising therefrom to be equally divided between my two daughters to them and their heirs forever. Item it is my desire that my two negroes named Jenny and Winny and all my house hold furniture plantation utensils and stock of all kind to be sold and the money therefrom also to be equally divided between my two Daughters only, reserving two years schooling to my son John Fuzsel and after his schooling to be bound to the blacksmiths trade. And I thereby desire that Littlebury Rayster and Thomas Opperson should be my Executors to this my last Will and Testament. Therefore I set my hand and seal this eleventh day of April in the year of our Lord Christ, one thousand eight hundred and four.

the

The commissioners therein named have examined the accounts of Mrs Elizabeth Ellis administration on the Estate of her husband George Ellis deceased, and after comparing the same with the vouchers we find a balance due from her to said Estate of $\$76\frac{21}{100}$. But if she be allowed the money expended in board, clothing and tuition of the children which appear to us a proper credit to her unless their be creditors of her Intestate yet unpaid - We are also of opinion that her said account against the children is extremely moderate and must fall far short of her actual expenditures for them in four years - should that account be allowed the Estate of her Intestate is indebted to her in the sum of $\$21\frac{79}{100}$ which carries Interest from the 1st January 1807 at 8 p^{er} cent per annum till payment. We also report that the said Elizabeth holds in her hands of the Estate of her Intestate a note of hand executed by Elizabeth Ellis (mother of said Intestate) for $\$25$ with Interest from 25th July 1802. - If on account of her failure to prosecute or recover the same she be chargeable with said note -
