Rev. George In the name of God amen. I Reuben George of
the County of Henrico, being of sound mind and perfect
memory, thanks be to God for the same, and being
sensible of the certainty of death, and the uncertainty of the
time when it may happen, do publish and declare this to be
my Last Will & Testament - First, It is my will and desire
that all my just debts should be paid - Item, to raise a fund
for the discharge of my just debts I leave to my executors herein
after named, to be by them or the survivor of acting person or
persons among them sold, on such credit, as their discretion may
direct them, my tract of Land in the County of Henrico, which I
purchased of Jacob Thomas, lying near the seven pines, and
containing two hundred, and forty three & one half acres more
or less, and if it should so happen, that at the time of my death
the

the money arising from the sale of the said lands, and the debts
 due to my estate, should not be sufficient to pay what I owe, —
 then it is my will and desire, that my executors do sell, so much
 of my other estate as will be sufficient to discharge them, leaving
 it to their discretion, to fix on the property to be sold, but should they
 consider, a tract of land I have in the County of Randolph, ^{on} Gauley
 River, as capable of being sold to an advantage, then I wish that
 Land to be sold, in preference to any other part of my property; Item
 If at the time of my death, my debts may not exceed the sums of money
 due me from others, it is my wish, that the first mentioned tract of
 Land, may at the discretion of my executors be sold, should they consider
 such sale, as advantageous to my children, and also that the second
 mentioned tract of Land, be likewise sold, should they consider it
 advantageous to my children to do so. Item, It is my will ^(and) —
 desire, that after the payment of my debts, my beloved wife, Betsey
 George, have the use of my whole estate for the maintenance and
 education of my Children, until my eldest child shall come to —
 the age of twenty one years, or she shall marry, in that case, that
 is, if She should marry, I will and desire, that she have the third
 of my whole estate, during her natural life, I should she never marry
 I still desire, that ^{when} my eldest child, shall arrive at the age of twenty
 one years or more, that she have to her use during her natural life
 one third part of my whole estate. Item, my will and desire is —
 that when my eldest child arrives at the age of twenty one years, or
 marries, such child do have his or her equal proportion of my whole
 estate, after deducting the third part thereof for my wife's use to him
 or her & his or her heirs forever, & that as each of my children, shall
 either arrive at the age of twenty one years, or marry, that as either of
 these events may take place, that he or she have allotted to them or
 her, this or heirs forever, their equal proportion of my whole estate.
 Item. In case my said wife, shall by the event of her marrying
