In the name of God amen, I Pleasant Young husband
of the County of Henrico, and Commonwealth of Virginia
being of sound mind and memory, but weak in bodily health,
and mindful of the uncertainty of death, and the uncertainty
of the time, do make and publish this as my last will and
testament. In primis, It being my desire to secure the
payments of all the debts which I may justly owe: for that
purpose I do subject the following property to wit, the tract
of land in the County of Bollebourt which was purchased
of Thomas & Mac Georges five lots in the Town of Gosport

lease to Moses Davis, together with the annual rents
charged thereupon, the house call it Calls old Stores, with
two tenements half through the lot, the lot of ground
with eighty six and one half feet in front, containing
three tenements, situate in Adams's Valley, purchased by
me at the sale of Moses's property, but for which no conveyance
has been made, my plantations on white Oak Swamp, the
yellow house in the City of Richmond, next below the house
in which Reuben Cantor lives, with the ground twenty two
feet in front and extending back half the depth of the Lot
all the above property I give and devise to my executors

of in such manner as they shall deem most advantageous
to my estate, and my creditors; but as a part of the before
described property is under some previous incumbrances
my desire is, that those should be first discharged, and
the residue of the before mentioned property to be
applied to the payment of all my just debts.

Item if from the collection of the debts due me at my decease, and the proceeds of the sales of the before mentioned property there should not be a sufficiency to pay the debts which I may owe due from me, then I desire that my executors may sell my plantation near Chickahomony swamp, that formerly belonged to Moses Davis, but I only wish this may be done after it shall be fully ascertained that the proceeds of the first mentioned property will not be sufficient for the payment of my debts. Item I will, and desire, that my executors, herein after named, if they in their discretion see proper shall sell as much of any of my estate, estate whether real or personal as will be sufficient to pay my debts, if the property before designated shall not be found adequate. White school master, and after her death, or her marriage, I desire that the said property may be equally divided between my three daughters. Item I leave to my beloved wife during her natural life, or widowhood the house and plantations on which I now reside for the support and education of my children, unless my eldest daughter Margaret Caroline should before the death or marriage of my wife, attain the age of twenty one years or marry, but as soon as the times arrives when the said daughters shall attain her lawful ages, or marry, then I will and desire that my said plantations shall be divided between my two eldest daughters Margaret Caroline, and Sally Armes, to be held by them and their heirs forever. Item After the payment of my debts I desire that my negroes may be hired out and my plantation rented out, unless my wife shall choose to reside on it herself, and the proceeds of the rents, and hire of the negroes, I give and bequeath to my said wife during her widowhood, or until my said eldest daughter shall attain the age of twenty one years or marry. Item I give and bequeath to my beloved wife all that proportion of the estate of Thomas Pleasant
