

such monies as may be due to me and of which I leave to her one half of the interest accruing thereon during her natural life or widowhood. Secondly for the same good considerations, I leave her invested with full power and lawful authority to dispose of all my estate both real and personal of every kind, in such manner as she may think proper, so that the best price that can be got may be had for it on short or long credit and so that the principal and interest accruing thereon, to be regularly and annually or quarterly paid, be duly secured by both real and personal security. But in case my said dear and well beloved wife, should marry again, I then only leave her the part of the profits aforesaid or of the interest aforesaid arising from the sales - as the law may allow her. I do also give her all such of my furniture as she may think proper to take - the carriage and horses, and all my ready money on hand. The other half of any monies due at the time of my decease I give to be equally divided among all my children, together with all the rest and residue of my Estate which may remain after the purposes of this my will is answered. I also in case my said dear wife should not sell or dispose of my said estate during her life or widowhood, according to the power above given to her, do hereby fully invest and authorize my good friends and Executors hereafter named to dispose of it in like manner for the equal benefit of my dear children. I do hereby in the most earnest manner request the favor of my much esteemed and respected friends, Major William Langhorne, of King William County and John Bassett esq of Hanover County to act as Executors, with my dearly beloved wife, whom I also appoint Executrix, in the fulfillment of this my will, for the benefit of my said dear wife and children, and which I most confidently trust they will do, as I have always had reason to rely upon their regard and friendship. In confirmation of the above as my last will and Testament I have hereto with my own hand subscribed my hand and seal and dated it as of the first of September A. D. 1802. That is to say, I desire in the first place that all my just debts be paid, and that a
small unsettled account between Mr John Shelton and myself, be settled according to
a Statement of his to be found in my desk & be paid to him. I give to my son John
one thousand acres of Land lying on the Ohio River being the same that I bought of
Sutherlands Agents: See their deed recorded in the Superior Court of Kentucky, whether the
said Tract be more or less than one thousand acres. I give to my son William one thousand
Acres of Land number 505. being a Tract I bought of Andrew Dunsecombe lying
on the waters of Beaver Creek in Kentucky, also one thousand acres of Land lying
near the Cumberland River & opposite Goose Creek, I believe now called Livingston's
Creek, being one thousand Acres of Land I bought of Willis Wilson. I give to
Carlton Fommell one Tract of Land lying on Beaver Creek at 2800 sq. con-
taining fourteen hundred and twenty acres, being one of the Tracts I bought of
Willis Wilson, also seven hundred acres lying on the big Cannon River being the same
Land I bought of John Miller, who bought it of Amos Naglason, as will be
seen by Miller's Deed Recorded in the Superior Court of Kentucky. I give to Maria
Antoinette one thousand acres of Land lying below the Tennessee it being a
Tract I bought of Willis Wilson, but if that Tract shall not be equal in quantity to
that

that which I gave to Polly & Sally, or if the Indian title should not become
 entered, or there should be any deficiency in quantity, then I will that a
 tract of equal value with theirs shall be bought for her. I will that my
 four children John, William, Carlton Tommehell & Ardoinette shall each
 receive five hundred pounds when they shall come of age or marry to be paid
 by my Executors. And when that sum is paid to each of my four children
 just mentioned, then I desire that my daughters Mary Preston and Sarah
Munford shall receive an equal proportion with the rest of my children of
 the rest of my Estate which may remain. It is my desire that all my
 Lands not herein disposed of, my houses and Lots in the City of Richmond
 my Carriage & Horses, be sold by my Executors. But as my property in the
 Western Country is advancing in value, I wish that so much of it only shall
 be sold immediately as will answer the special purposes hereinafter to be
 mentioned. I wish out of the proceeds of the Sale before mentioned, that one
 thousand pounds shall be disposed of in purchasing a small but fertile
 tract of Land either in Montgomery or Botetourt County for my wife to live on,
 I likewise five hundred pounds to purchase the same with Stock &c; which said
 property together with all my Servants & as much of my furniture as she
 may wish to keep, I give to my wife during her life. Out of the proceeds of this
 property I expect that my four children now unmarried, shall be supported &
 Educated until they shall marry or come of age. The Land given to each of my
 Children & all the profits which they may receive from my Estate shall be to
 them & their heirs forever. And it is further my intention that the several
 Tracts assigned to each, be the quantity more or less than that which is mentioned
 shall be their property except as to Ardoinette, as particular directions have al-
 ready been given with regard to her. Lastly I constitute & appoint Genl.

 Executors of this my last will and Testament & for this I desire that they shall

Samson M Myers I Samson Mears Myers, of the City of Richmond in the State of Virginia
Will
having taken into consideration the State of my worldly concerns, and finding that the property of which I am at present possessed is too small in amount to admit of its being serviceable to any of my heirs at Law if left to an equal division division among them, and farther that most of them happily are so circumstanced as not to stand in need of such pecuniary aid as it is in my power to give, and conceiving it to be a part of my duty to make some special provision for one who would otherwise be lawfully excluded, have thought it proper to make this my last will and Testament in manner and form following that is to say 1st It is my desire that so much of my Estate may be sold as will pay all my just debts and funeral expences.

and in addition, as much as will raise the sum of One thousand dollars which amount of one thousand dollars I give and bequeath to my brother Benjamin M. Myers. Truly I give to Joseph the son of Martha Allen, commonly called Joseph Myers One thousand dollars that is to say The said sum of one thousand dollars I leave in Trust to my brother Moses M. Myers, to be used by him for the benefit of said Joseph for Boarding cloathing and general support of him the said Joseph including his instruction in the principles of the English Tongue and common arithmetic: after the completion of which I recommend his being placed with some merchant or reputable Tradesman until he is of age which will be in the month of April 1818. and in order that the above Trust may be executed with the least possible difficulty I hereby place the said Joseph under the Guardianship of my said brother Moses who is hereby authorized to take the above sum of one thousand dollars and pay legal interest for the use thereof, or loan it to any person upon such security as he may deem sufficient. In case of death to the said Joseph before the principal and interest of the above mentioned sum of one thousand dollars is exhausted by the payments for the purposes aforesaid then the said sum or so much thereof as may remain shall become the property of my said brother Moses M. Myers. 3th. All the rest of my estate of whatever nature or kind it may be whether real personal or mixed not herein before particularly disposed of I give and bequeath to my worthy and much esteemed brother Moses ^{to him and his heirs forever} M. Myers, and lastly I do hereby constitute and appoint my said brother Moses M. Myers sole Executor of this my last will and Testament hereby revoking all other or former wills or Testaments by me heretofore made. In witness whereof I have hereunto set my hand and affixed my seal this seventh day of July in the year one thousand eight hundred and three, The signing & sealing of the above instrument of writing was acknowledged by Samson M. Myers before us as his act and deed, do: Henry Lamb, Scott Saml Mordcau.

5th My will and desire is that if there should any claim that can be proved to be just, should come against the Estate of Richard Kennard deceased, and thus being no other property to be found it is my desire that enough of the land should be sold to pay the just debts. The balance of the land I give to my son Richard Redford, and if there is no just claims he is to have all of the Land. If I should die before I get the Land in possession and if I cannot will the aforesaid Land away as before mentioned my will and desire is that the Land should be sold and the money to be equally divided between my children namely Mildred, Elizabeth, Judith, and Richard, if the land should be sold and the money divided as before mentioned. I then give unto the aforesaid Richard Redford one negro man or boy by the name of Carry in lieu of Land, but if he gets the Land, I then leave the said negro named Carry, Top and Suck, and one half the stock of cattle and horses, to be sold the money to be equally divided between my three girls namely Mildred, Elizabeth, and Judith. If either of my five children as before mentioned should die without a lawful begotten heir, then what I have given is to return and be equally divided amongst them or their heirs that are living at that time to them and their heirs forever, none of this property that is given amongst my first wife's children is not by any means to fall to my last wife's children it is to be kept amongst my first five children as before mentioned. Likewise the property given to my four last children is not to fall to any of my five first children it is to be kept among the four last children.

The aforesaid negro girl Fanny is to be hired out from the ~~time~~ of my death until my daughter Agnes comes to the age of eighteen years or married. The money that I have left my daughter Eliza is to be put and to continue until she is eighteen or married, if the aforesaid girls Agnes or Eliza should die without a lawful heir issuing from their body then what I have given them shall fall to the other one of the two girls, if it should so happen that both of the girls Agnes and Eliza should die without heir then what I have given them by Will shall fall to my two youngest sons Robert and John Redford.

 I have purchased since I made my will. I leave it to be sold and the money divided
 between my two youngest sons Robert and John. At the day of my wife's mar-
 riage or death the land is to be equally divided, between my two sons Robert
 and John and to draw lots for choice, either of them that draws the pieces must
 pay the other Fifty pounds, they must divide it North and South; if either of them
 should die without a lawful heir of their body, then the Land and the other pro-
 perty, that I have given him shall fall to the other brother; if it should be so that
 both of my sons Robert and John should die without heir then what I have given
 them must fall to my last wife's two daughters Agnes and Eliza or their heirs
