Jonas Thier's
incapacity
Well

We the undersigned on the 29th day of October in the year of Christ 1885 at the house of Willy bowling, in the County of Isleswight & during the last sickness of Jonas Thier, who was then there sick of which sickness he died but as appeared to us, in his senses as perfectly as usual heard the said Jonas say, that every thing he owned, after his death was Willy bowling's, (and that if Willy dies first, every thing which Willy owned ~~was~~ be his). We understood him as meaning and we are fully persuaded he did mean, the words spoken as intending to purport a will and that it was his wish and desire that Willy bowling should be his whole, sole and only legatee. In Evidence whereof we have hereunto subscribed our names —————
