

Nov 11 1896

In the Name of God Amen! I, Joseph M. Sullen, of the County of Loudoun, State of Virginia, being of sound mind and disposing mind and memory, do make this my last will & testament, as follows to wit, I direct that my farm on which I reside, be divided into two parts, by a line to Commence at Ben Owens upper gate, (formerly Deers Blenthis) and to run thence as indicated, by a work until it strikes a branch, (which is the main branch), and thence as the main branch runs, until it empties into the Canal, thence perpendicularly up the hill, to the Smithfield line; and the upper portion of said farm, I give and devise to my sons Henry and Joseph M. Jr. as their joint and equal property and estate, to them and their heirs forever, and the lower portion of said farm, being all South of the line herein designated, including the dwelling and buildings, I give to my son Robert Hunter, to him and his heirs forever, but the gift to my sons Henry and Joseph M. is subject to the following provision, to wit, having promised to Louisa Sullen a certain sum now living on my promise, that if she would continue to live with me, until the period of my death, and wait on me, and take care of me, especially in my sickness, which may come upon me, that I would give her ten acres of land, she having promised in her part to live with me, and wait on me & take care of me, I give to her, on condition that she fully complies with her promise, in this respect, and in no other ten acres of land to be cut off from the portion above given to my sons Henry & Joseph M. by a line to start

from the point, where the water running from Lewis
 near Andrews' land meets with the water running from
 my land, and to run thence in a straight line up the
 Green road, so as to cut off two acres, in which
 case, the portion then given to my said sons Henry
 and Joseph H. is to be lessened, by that quantity.
 I give and devise to my grandsons Henry A. and
 Robert B. Skilton, as their joint property, all my
 interest of every kind (supposed to be, an estate
 during the lifetime of their father Granville Skilton,
 in the tract of land devised by their mother from
 her father Robert Cook, and in addition thereto, the
 sum of Two hundred & eleven, in money, which I
 make a charge upon the portion of my said
 son Robert B. given to my son Robert H., and which
 said Robert is to pay to my said grandsons,
 and which is not otherwise to come out of my
 estate, but this provision for my said grand-
 sons is up under express condition, that neither
 they nor either of them, nor any one for them,
 assert any claim against me, or against my
 estate, on account of my kinship for them, or
 on account of any Andrew timber or lumber
 cut from the tract of land mentioned in this
 clause of my will, by their father Granville
 Skilton, or on any other account. I give and
 bequeath to my daughter Mary A. Watrous, the
 sum of Five hundred and fifty dollars, in the
 event that my personal estate shall be of suf-
 ficient value, to raise that sum thereout, after
 the payment of my just debts, but if it should
 not be of sufficient value, to raise said sum of
 five hundred and fifty dollars, I give to her what
 ever sum can be raised thereout, after payment
 of my debts and of all costs and expenses con-
 nected with the settling of my estate, but this
 legacy is not, in any event, to exceed said sum
 of five hundred and fifty dollars.

Lastly, all the balance and residue of my
estate, not herein before disposed of, I give
and bequeath to my sons Henry Joseph &
Robert and my daughter Mary A, and my
grand children Robert & Henry, so to be divided
among them, that my said sons and
daughters shall each receive an share of
the same, and my said grand sons shall
^{together} receive one share of the same,

I have made no provision for my son George
because of the fact, that owing to peculiar
circumstances, in his history, I have been
subjected to heavy outlay and expense on
his account, and I have besides maintained
and taken care of his children, my grand-
sons above named, during years of infancy
and helplessness and I have preferred to
make provision for them, instead of him,

I appoint my son Robert Hunter Executor
of this my will, In testimony whereof I
have hereunto subscribed my name, and
affixed my seal, this 27th day of July 1883
