In pursuance of the order of King George County Court hereto annexed bearing date on the 2nd day of February 1799 We the undersigned Commissioners thereby appointed have examined the Account hereto also annexed, respecting the administration of the Estate of John Gravatt deceased by Younger Johnson his administrator and have compared the Several items thereof with the several Vouchers by him produced to establish the same, whereupon we find that the greater part of the said Items and all such as are of an amount of any consequence are Supported by Vouchers sufficient

satisfactory to us such as judgments, Replevy bonds, Bonds, Notes, Accounts, Tickets of
 Clerks fees, distinct & separate receipts as well as receipts endorsed upon, or subjoined to
 the greater part of the other Vouchers before mentioned, and in respect to the remain-
 ing Items not so supported we find that there are credits entered in the said Johnsons
 books, whereby it appears that the creditors of the said Gravatt in such cases have been
 Satisfied in regard to the Debts thus made in the said Administration Account To
 establish the other Items which are for sums of a small amount & for which no kind
 of written evidence whatever was produced to us we agreed to receive the affidavit of the
 said Johnson that the said Items are entered for monies by him actually disbursed
 in the several instances therein referred to for the use & benefit of the said Gravatts
 Estate, which affidavit was accordingly made by him the said Johnson in our
 presence before William Bernard one of the undersigned being a qualified and
 acting Justice of peace in and for the said County of King George, All which we
 submit to the Court of the said County for their Consideration & determination,
 Given under our hands & seals the 3rd day of April in the year 1797,
