By virtue of the annexed order of Court we the subscribers have proceeded to examine & settle the within account of John Pollard's executorship on the estate of William Smith decd. which we have done by comparing the same with the several vouchers produced to substantiate the several items therein stated, & which appears to us to be just & reasonable. - by which acct. we find a balance to be due from the estate of John Pollard decd. to the estate of William Smith decd. of fifty nine pounds 11/7 1/2, as also the sum of one hundred & eighty two pounds 4/11 1/2 in bonds &c. now due & payable to the said Int. Pollard executor as appears from the following persons vizt

Susanna Anthon & Ben: blift for £ 2. 2. 10. with int. from 2^d Oct. 1794 till paid

Sam: Smith & Michl Wallace for £ 7. 0. 0. with int. from 1st Jan'y 1795 till paid.

D^o. & D^o. for £ 8. 15. 0 with int. from 1st Jan'y 1796 till paid.

George Fitzhugh mortgage for £ 160. 7. 1/2 with int. from 26th Feb'y 1798 till paid

which said bonds & mortgage were delivered by Thomas Pollard exor of the said John Pollard decd. to Caleb Smith (the present representative of the S^r W^m Smith &c.) in our presence.

We also find that the estate of S^r William Smith decd. is indebted to the said Caleb Smith the sum of five pounds 2/8 as a balance due him on an account stated by him against the said John Pollard decd. exor of the S^r W^m Smith decd. for sundry fees &c. by him settled for said exor & in which account the said Caleb hath admitted a credit of £ 7. 10. 0 for ball of negro lines for the year 17th and ninety four

King Geo. County Decemr Court 1801. is
 Ordered that Lawrence Berry, Younger Johnson, James E. Dishman, &
 Gowan C. Turberville, or any three of them be appointed to divide the estate of William Boon
 deceased, agreeable to his will: and make report thereof to the Court.
 Attest Test. me L. Tell. W. C. Cur

In pursuance of the above order of the court of King George county to us directed, the
 the subscribers have made a division of the slaves and the property of William Boon senior
 deceased among his children agreeable to the directions of the said William's last will and
 Testament in manner as followeth. (Viz) The Commissioners having before them the said
 Instrument, after a careful and attentive perusal thereof, were unanimously of opinion
 that the said Testator designed an equal & impartial division of his personal estate am-
 ong all his children: and having in his life-time given certain articles of property to the
 then value of one hundred and sixty pounds to Molly Harrison his daughter then
 a married woman as specified in his will with direction therein that the same sum
 of £160. being first made up to each of his other children, that then an equal division
 of the residue of his personal Estate should be made among all his children the said
 Molly included. The Commissioners with a view of promoting the Testator's intention
 of the testator conceived themselves bound in allotting property to the other children
 to the amount of the £160. before given to the daughter Molly to respect the value
 of property at that period rather than at the present time, and accordingly first
 allotting to the other children certain property as nearly as possible according to the
 same standard of valuation to the same amount. The Commissioners proceeded to value
 all the slaves of the said Testator, according to a list produced to them by Wm Boon
 the executor of the said William deceased, and in presence of all the claimants
 or their representatives to divide them as followeth — (Viz) that William Boon
 they allotted the slaves following — Morgan, Sence, Gabriel, Jonathan, Arroy, Eddy,
 & Daniel, & to receive from Ewell Monif's the sum of three pounds and from Henry
 Saunders the sum of twelve pounds ten shillings to make equal his lot.

Unto the representatives of Obadiah R. Harrison who intimated with Molly Boon
 in addition to the property already received were allotted Clay Lindsay and to receive
 of George G. Boon in money the sum of twenty two pounds ten shillings to make equal his lot.

Unto Ewell Monif's who intimated with Jane Boon was allotted the
 Slaves following, Willoughby, Andy, Henry, Lewis, Peas Hall, Harry & Ben,
 the said Ewell paying to William Boon three pounds and to receive of Henry Saunders
 five pounds and from James Nelson two pounds ten shillings.

Unto James Nelson who intermarried with Elizabeth Boon were allotted George, Fanny the younger, William Junr, Sarah & her child Reuben & Joshua with the charge of two pounds ten shillings to be paid to Ewell Morris. ~~see see see~~

Unto Henry Saunders who intermarried with Nancy Boon were allotted James, Elizabeth, old John, Solomon & old Judge. And to be entitled to receive of George G. Boon the sum of five pounds and be subject to pay to William Boon twelve pounds, ten shillings and also to Ewell Morris the further sum of five pounds ~~see~~

Unto George G. Boon was allotted the slaves following, Young Dick, Summah, Isannah, old Dick, Reuben, Harman, and old Fanny with condition to pay to Henry Saunders the sum of five pounds, and also to Harison's representatives the further sum of twenty two pounds ten shillings ~~see~~

Not having in our view any inventory, account of sales of the said testator's personal estate, Executors account, or any other evidence thereof the Commissioners could do nothing therein but the same if any there be on the settlement of the Executors accounts of administration is hereafter subject to an equal distribution among the legatees herein before named as the Commissioners in the present division have made up to the other legatees in proportion to the relative value of the £100 given as above said to his eldest daughter Molly by the testator in his life-time. In Witness whereof we have hereunto set our hands and seals this thirtieth day of December 1821.
