Acting under a decree of the Worshipful the Court of King George  
county between Francis Baber an infant by Hezekiah Dickens on the  
guardian, vs Younger Johnson & Laurence Perry Executors of Benjamin  
Baber decd. a copy of which decree is herewith annexed  
With a copy of the Last Will & Testament of s<sup>d</sup> Benjamin  
before us, the whose names are hereunder subscribed have proce-  
ded on this 7<sup>th</sup> day of July 1803 to divide & allot unto the said  
Francis one of the sons & devisees of the said Benjamin decd.  
his proportion of his Father's Estate according to his said  
Last Will in manner & form as followeth. Viz. We first  
proceed to value all the negroes belonging to the estate of the  
Benjamin twelve in number & on casting up the amo. we found  
the

the sum total to be seven hundred pounds & the same according to the purport of the said Will required to be divided equally between Francis Baber, Henry Baber, Thomas Baber & Sally Baber his four children by which each of the said children were entitled to the sum of one hundred & seventy five pounds. In order to make up the said sum we allotted to the s<sup>r</sup> Francis the slaves following viz:

Oct 75 } We then proceeded upon a settlement of the  
 Nov 60 } 175 Executors accounts to divide the bonds  
 Paul 40 } amounting to the sum of two hundred

and twenty nine pounds 10<sup>11</sup> & allotted unto the s<sup>r</sup> Francis the bonds following viz Richard Babney for the sum of seven pounds, Rich<sup>d</sup> & Owen Babney for the sum of thirty pounds, William Arnold for three pounds 13<sup>16</sup> & Matthew

Wing for the sum of three pounds, which several bonds with their interest to this date amount to the sum of fifty eight pounds 13<sup>15</sup> being something over £57.7.8 his exact proportion. — We further found upon the settlement of the s<sup>r</sup> Executors accounts the sum of four hundred and fifty two pounds 17.4<sup>3</sup>/<sub>4</sub> acknowledged by them to be in their hands

viz the sum of £1114.15.8<sup>3</sup>/<sub>4</sub> in the hands of Younger John son one of the Exors. & £38.1.8<sup>1</sup>/<sub>2</sub> in the hands of Laurence Berry. — This sum we divided into four equal parts by which the s<sup>r</sup> Francis would have been entitled to the sum of £113.4.4 but

by reference to the s<sup>r</sup> last Will of the s<sup>r</sup> Benjamin we found that the s<sup>r</sup> Francis as devisee of the lands of the s<sup>r</sup> Benjamin was by the s<sup>r</sup> devise subject to the payment of thirty pounds to each of the other children and devisees of the s<sup>r</sup> Benjamin.

We therefore in pursuance of the intention of the s<sup>r</sup> testator, deducted from the said sum of £113.4.4 the sum of ninety pounds

pounds on account of his three other children & directed the balance of £23 4 4. to be paid out the hands of the s<sup>d</sup> Receiver into the s<sup>d</sup> Dickinson guardian of the s<sup>d</sup> Francis in full of his proportion of the Estate of his s<sup>d</sup> Father Benjamin herein before enumerated - the said Hezekiah Dickinson guardian of the s<sup>d</sup> Francis Baber being present.

Errors & Omissions excepted

It is known, that, on the 5<sup>th</sup> day of October in the year 1802, We the  
 undersigned Commissioners met at the dwelling house of Thomas Pollard in King  
 George County, and, pursuant to the annexed order of the Court of the said County, proceed-  
 ed to examine and settle the within account stated by the said Thomas Pollard as exe-  
 -cutor of Major John Pollard deceased; and upon such examination and a view of  
 the vouchers produced by the said Thomas to support said Account, are of opinion  
 that the same is correctly stated, and established by sufficient vouchers, according  
 to the nature of the cases to which they severally state. But as several items in the ac-  
 count are founded on cases of an unusual nature, although the vouchers to support  
 them are deemed sufficient according to the nature of each case; yet we have thought  
 proper to state such cases specially for the information and judgment of the Court.  
 That is to say — On examination of said Account in the article of family expenses paid  
 for the estate while kept together, an item appears for "Cash; and James D. Dush-  
 -man for sundry necessary articles furnished for Account and receipt — On a view  
 of the Account in this case, disbursements appear to have been made by the executor for  
 sundry necessities for the use of the whole family of the testator, which, on examination  
 of the law on this subject seem not to be strictly authorized by it. But it appearing  
 to us that the family of the testator was left, at the time of his death, in an improv-  
 -ise situation — and that the estate was required by law to be kept together until  
 the end of the year in which the testator died; so that individual members of the fa-  
 -mily, being deprived of the use and profits of the estate during that time, in conse-  
 -quence of the same, being exclusively appropriated to the benefit of the executor as  
 agent, we have deemed it a reasonable construction of the law that the whole fami-  
 -ly of the testator should be supported out of the profits of the estate while kept in  
 that situation, as well as his slaves who are expressly provided for by law — and  
 have consequently allowed such disbursements — In the article of Clerk's and  
 Attorneys fees paid for the estate, several payments appear from the vouchers, to  
 have been made on account of fees incurred by the executor in the defense of certain  
 suits prosecuted against him by the legates of William Smith and Richard Pollard  
 deceased whose representative the said Thomas testator was, the propriety of charging  
 which fees so paid to his said testator's estate appears at first view doubtful inasmuch  
 as the disbursements having been made on account of these respective estates ought to  
 be reimbursed out of the same — yet, on consideration that the suits in question are  
 brought by legates claiming an account and payment of their proportions of  
 the several estates to which they are respectively entitled — and from the informa-  
 -tion which we have received will recover something in each case, and — if so — will also  
 recover their costs of the said Thomas — and consequently he the said Thomas can-  
 -not recover his own costs of them or have a reduction of them from the amounts

of the recovery against him - and the defence of such suits by which the costs, in question were incurred by the said Thomas appearing to us the proper and for the benefit of his testators estate inasmuch as the same tended to prevent a larger recovery against the said estate than what should be proved to be just, we have been induced to allow the disbursements on those accounts also, all which however is respectfully submitted to the Court of King George County, by whose authority we have been appointed, and have acted in this case. GIVEN under our hands on the day and year first above mentioned.

At a monthly Court held for King George County the sixth day of October 1803.

The foregoing account of the estate of Major John Pollard deceased with Thomas Pollard his executor, together with the report thereupon of the special Commissioners heretofore appointed to examine and settle the same, being returned, and examined and approved by the Court, was ordered to be recorded.

In obedience to an Order of the worshipful Court of King George <sup>County</sup> bearing date the 1<sup>st</sup> day of October 1803. we the undersigned being Commissioners appointed by the s<sup>d</sup> Order, have examined the above account & find vouchers to support the several charges, except those created for the use of the estate and Orphan, to which several items we examined the said John Spilman on oath, we also find blended in the Acc<sup>t</sup> rent of Land held of one of the Orphanes &c. which we receive strictly speaking improper in an Acc<sup>t</sup> of this description, but it appearing to us that the acts of the adm<sup>r</sup>. producing this impropriety was in effect necessary for the interest of the Orphan and estate, we therefore were induced to pass the Account, submitting the same to the Court.
