This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and a small dark spot near the top center. The left edge of the page shows the binding structure, including what appears to be a metal clip or staple at the bottom. There is no text or other markings on the page.

Pursuant to an order of the County Court of Loudon bearing date the 8th day of October 1821 the undersigned the Commissioners therein named have examined, stated & settled the Guardianship account of John Pulin as Guardian of the Person (now dead) agreeably to the foregoing account, from which it appears that sd John Pulin owes sd Decedent's Estate eighteen hundred and nineteen Dollars twenty three cents. We have allowed the Guardian (as will be perceived) three hundred and fifty dollars, which we deem but a reasonable compensation for his trouble and expences in the management of sd Estate — it appears to us that his trouble was great, the scene of business being a considerable distance from him &c Given under our hands
